

**Workshop on
Basics of Cell Culture
Techniques**

21st to 23rd February 2018

REGISTRATION FORM

Full Name:

Designation:

Institution Name:

Address:

Phone/Mobile Number:

E-mail:

Purpose of attending the workshop (to be filled by participant):

Mode of Payment and details: a) DD b) Cheque

Date: _____ Signature of the Participant

Signature of the Head of the Dept /Institution with seal

(DD should drawn in favor of “The Registrar, University of Madras. Registration form and DD/Account pay information submitted by post to “**Dr. Elangovan Vellaichamy, Professor and Head, Department of Biochemistry, University of Madras, Guindy campus, Chennai-25**”).

Organizing Committee

Chief Patron

Prof. P. Duraisamy

Vice-Chancellor, University of Madras, Chennai

Patron

Dr. R. Srinivasan

Registrar, University of Madras, Chennai

Convener & Organizing Secretary

Dr. Elangovan Vellaichamy

Professor & Head
Department of Biochemistry

Organizing Committee Members

Dr. S. Subramanian, Associate Professor

Dr. G. Sudhandiran, Assistant Professor

Dr. A. J. Vanisree, Assistant Professor

Dr. M. Ravi, Assistant Professor

Dr. Niranjali Devaraj

Professor & UGC-BSR Faculty

Dr. T. Devaki, Professor & UGC-BSR Faculty

**Workshop on
BASICS OF CELL
CULTURE TECHNIQUES**

21st to 23rd February 2018

Sponsored by

UGC-SAP DRS II

Organized by

**DEPARTMENT OF BIOCHEMISTRY
UNIVERSITY OF MADRAS
GUINDY CAMPUS
CHENNAI-25**

ABOUT UNIVERSITY OF MADRAS

Madras University is one of the oldest and premier Universities in India and was established in the year 1857. The University has six campuses in the city. The University has 68 teaching and research departments grouped under 18 schools, covering languages, humanities, science, technology and medicine. The National Assessment and Accreditation Council has accredited 'A' grade to the University and it has been given the status of 'University with Potential for Excellence', by the University Grants Commission.

ABOUT THE DEPARTMENT OF BIOCHEMISTRY

The Department of Biochemistry, University of Madras was started in 1933 to foster research in the subject and for teaching at the post-graduate level. It is one of the first independent Department created in India to teach Biochemistry. The Department has been established with objectives of conducting high quality research in Biochemistry and also provide comprehensive biochemical education to post-graduate and PhD students. The Department has received research projects from funding agencies like UGC, DST, CSIR, ICMR, AYUSH, DRDO and DBT.

ABOUT THE WORKSHOP

The three days workshop provides a strong emphasis on practical skills and the basics of cell culture techniques. The participants will gain significant experience in cell culture techniques through integrated learning methods, utilizing hands on training with lecture materials.

TOPICS INCLUDED IN THE WORKSHOP

The workshop includes theoretical and hands on practical sessions involving the following.

- **Mammalian & Stem cell culture techniques**
- **Fluorescence Imaging**
- **Protein extraction & Analysis**

FOR WHOM

M.Sc./Ph.D. from disciplines of life sciences, health sciences and Junior-level faculty from colleges/Universities can fill up the attached application form and return it to the organizing secretary

REGISTRATION FEES

P.G & Research Scholar Rs.1000/-
Academics, Faculty Rs.1500/-

IMPORTANT DATES

Last Date

Receipt of Application : 17/02/2018
Confirmation &
Notification of Selection : 18/02/2018
