

**National Seminar
on
Advances in Statistics and Computer
Applications (NSASCA- 2017)**

Registration Form

1. Name (in capital letters):
(Prof./Dr./Mrs./Mr./Ms) _____

2. Designation: _____

3. Department: _____

4. Institution: _____

5. Gender (Male / Female):

6. Correspondence Address: _____

7. Email ID: _____ Mobile: _____

8. Presenting Paper (Yes/No):

9. Title of the talk/paper _____

10. Accommodation required (Yes/No):

11. Registration Type: Industry / Academia /

Research Scholar / Student

12. Details of DD:

Amount (in Rs.): _____

DD No. : _____ Date: _____

Bank & Branch Name: _____

(Signature of Applicant)

Date: _____

Place: _____

Chief Patron
The Vice-Chancellor,

National Seminar
(DST-PURSE & UGC Sponsored)

on
**Advances in Statistics and
Computer Applications
(NSASCA-2017)**

MARCH 03-04, 2017

**DEPARTMENT OF STATISTICS
UNIVERSITY OF MADRAS
CHEPAUK CAMPUS
CHENNAI- 600 005**

Department of Statistics

The Department of Statistics, University of Madras was established in 1941. The Department has been identified by the Department of Science and Technology (DST) under its FIST program for the financial support. The department offers research programme leading to Ph.D., in Statistics and two Post Graduate courses M.Sc., Statistics and M.Sc., Actuarial Science. The faculty members of the department both past and present have academic collaborative contacts with several institutions of national and international eminence.

About the Conference

The Department of Statistics is happy to announce a "National Seminar on Advances in Statistics and Computer Applications", which will be held during 03 - 04, March 2017. This conference plans to provide a forum for interaction and knowledge sharing among academicians, researchers, data analytics and students in the domain of both Statistics and Computer Applications. This seminar is planned to attract academicians, students and scholars to present and discuss their research findings in the frontier areas of statistics and computer applications.

Paper Submission

Papers are invited from academicians, practitioners and scholars on any topic mentioned in the following list of topics and related areas. Selection of papers for presentation will be based on detailed abstracts of about 500 words. Abstracts must include a clear indication of the purpose of research, methodology, major results, implications and key references. Times New Roman with a font size 12 is preferred for abstracts and papers.

- Statistical Modeling
- Statistical Inference
- Survival Analysis
- Reliability and Quality Control
- Big data Analytics
- Data Mining
- Image Processing
- Fuzzy Logic
- Allied areas of Computer Applications

Accepted papers preferably along with full manuscript may be sent to the Organizing Secretary along with Demand Draft drawn in favour of "**The Registrar, University of Madras**", Payable at Chennai. Abstracts may also be sent by email to id: nsasca2017@gmail.com. Last date for submission of abstract is 17-02-2017. Selected papers for presentation will be intimated by 20-02-2017.

Registration Fee:

Participants	Amount (in Rs.)
Industry	2500
Academia	1500
Research Scholars	1000
Students	500
