## **About Narrative Exposure Therapy**

Narrative Exposure Therapy (NET) is an evidence based approach and culturally universal intervention. Given its focus on the autobiographical elaboration of traumatic experience, NET is particularly suited for population affected by multiple and continuous traumatic experiences.

## **About the Speaker**

Shruthi Raghuraman is a Doctoral Student in Clinical Psychology at the University of Nottingham. She has a Master's degree in Developmental Psychopathology from Durham University, UK and has previously gained research and clinical experience in the field of dementia care during her time at the Schizophrenia Research Foundation, Chennai. Her primary area of interest is post-traumatic stress disorder, its diagnosis and rehabilitation across cross-cultural settings.
