CBCS HANDBOOK 2024-2025

MISSION OF THE UNIVERSITY

Our Mission is to impart quality higher education in consonance with our motto "*learning promotes natural talent*". We strive to develop citizens with knowledge, skill and character leading to societal transformation and national development. We aim at making our students men, women, transgender who offer their selfless service for the progress of the country and people.

தமிழ்த்தாய் வாழ்த்து

நீராவ் கடலுடுத்த நிலமடந்தைக் கெழ்வொழுதம்
சீராவ் வதனமெனத் திகழ்பரதக் கண்டம்தில்
தெக்கணமும் அதிற்சிறந்த திராவிடநல் திருநாடும்
தக்கசீறு பிறைநகலும் தரித்தநறந் திலகமுமே!
அத்திலக வாசனைபோல் அனைத்துலகம் இன்பமுற
எத்திசையும் புகழ்மணக்க இருந்தபெருந் தமிழணங்கே!
தமிழணங்கே!
உன் சீர்ளமைத் திறம்வியந்து செயல்மறந்து
வாழ்த்துதுமே! வாழ்த்துதுமே! வாழ்த்துதுமே!

மனோன்மணியம் பெ. சுந்தரம்பிள்ளை

II INSTRUCTIONS TO THE STUDENTS

1. The Handbook contains the details of courses (papers) of the programme conducted in the University Departments.
2. Students shall view the detailed Course Contents are also available in the Madras University Website at www.unom.ac.in
3. Students shall carefully read the CBCS Regulations and Academic Calendar for their information regarding the course registration, option for electives, etc.
4. Students are advised to register for the Core, Elective, Soft Skill and Internship courses in consultation with their student advisor.
5. Students shall take note of the scheduled dates mentioned in the **Academic Calendar** for Course Registration, Payment of Tuition Fees, Payment of Examinations Fees and **no separate intimation will be sent in this regard.**
6. Students shall register for the examination online for each semester for the PG Degree programmes offered in the University Departments through their departments only. Students shall hand over the copy of online course registration cum examination form to the Head of the Department as per schedule along with online payment of examination fees.
7. Students shall register only for the courses prescribed for the batch of students admitted in 2024-2025 as detailed in this Handbook.
8. Students shall register for all the arrear courses (papers) of previous semesters along with current/subsequent semester irrespective of their failure to appear in any of the semester examinations during the course of study.
9. Student's conduct is governed by the Madras University Students Conduct Rules, 2005.

Ragging in any form is strictly prohibited and will be dealt with seriously by the authorities of the University of Madras. University has a proper redressal mechanism in place to deal with ragging. In case of ragging, student will be issued a Transfer Certificate immediately and a police complaint will be lodged to take suitable action as per the Tamilnadu Prohibition of Ragging Act 1997.

Ragging constitutes one or more of any of the following acts:

1. Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student;
2. Indulging in rowdism or indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student;
3. Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student;
4. Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher;

5. Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
6. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students;
7. Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;
8. Any act or abuse by spoken words, e-mails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student;
9. Any act that affects the mental health and self-confidence of a fresher or any other student.

As per the UGC recommendations:

“If any incident of ragging comes to the notice of the, authority, the concerned student shall be given liberty to explain and if the explanation is not found satisfactory, the authority would expel the student from the institution”.

III. UNIVERSITY OF MADRAS: A PROFILE

One of the oldest Universities in India, the University of Madras is entering 167th year of its existence in 2024-2025. The University of Madras, organized on the model of London University, was incorporated on 5th September 1857 by an Act of the Legislative Council of India. The University has as its motto *‘Doctrina Vim Promovet Insitam’* meaning *‘learning promotes (one’s) innate talent’*.

The University which had only 17 University Departments, 30 teachers and 69 research scholars in 1912, has grown into a large teaching-cum-affiliating University with 18 Schools and 87 Departments of Post-Graduate Teaching and Research, 128 Affiliated Colleges, with 3 approved Institutions (OT), 5 approved Institutions (Diploma/Certificate Courses), 15 stand alone Institutions (MBA/MCA), and 53 approved research Institutions by 2020. The research and teaching functions of the University were enhanced by the Report of the Sadler Commission and the gains were consolidated by the enactment of the Madras University Act of 1923, which governs the University with subsequent amendments made from time to time.

An idea of the strides made by the University can be had from the number of University Departments / Colleges that have received special recognition by the national and funding agencies.

• U.G.C. Centres for Advanced Studies	03
• UGC Departments of Special Assistance	05
• DST FIST Departments	06
• U.G.C. COSIST	Nil
• U.G.C.ASIHSS	Nil
• U.G.C. Innovative Centres	06
• Number of autonomous colleges	24
• Number of colleges recognized as colleges with Potential for Excellence	06
• Number of University Departments	87
• Number of Affiliated Colleges	132
• Number of approved Research Institutions	46
• Number of Schools	18

The University has signed MOUs with 14 foreign and 25 Indian Universities and also with 21 Industry/Service Organizations. Nearly 141 sponsored research projects funded by various agencies are being carried out in the University departments. The National Assessment and Accreditation Council (NAAC) again reaccredited the University at the 'A' level in 2014. The University of Madras was also one among the first five Universities in the country to receive recognition from the University Grants Commission as a 'University with Potential for Excellence'.

In the nearly 167 years of its existence, the University has made significant contributions to the cause of higher education and research in the country. Many of the alumni who have come out of the portals of the University of Madras and who have made significant contributions to science and society: Sir C.V. Raman, Prof. S. Chandrasekhar, Dr. S. Radhakrishnan, Dr. G. N. Ramachandran, Prof. Neelakanta Sastri, Dr.T.M.P. Mahadevan, Dr. C.N. Annadurai and among others.

The University offers Distance Education Programmes in many disciplines through the Institute of Distance Education. The UGC – Human Resource Development Centre of the University conducts Refresher and Orientation programmes for College and University teachers.

The University has been a pioneer in many respects in terms of innovation in higher education. As one of the three oldest Universities in the country and as an institution which has given birth to practically every University in the Southern states, the University of Madras is conscious of its moral obligation to play a pro-active leadership role for quality in the Indian higher education system. The University continues to strive to contribute to the higher education and research goals of the nation with an awareness of its glorious past and noble traditions and the need for maintaining a high quality and excellence in all its future activities.

LOCATION

The University of Madras is spread over six campuses, viz., Tholkappiar (Chepauk), Parithimar Kalaignar (Marina), Maraimalai (Guindy), Sekhizhar (Taramani), Bharathiar (Chetpet) and Elango adigal (Maduravoyal). The main campus of the University of Madras is located in Tholkappiar Valagam (Chepauk). The stately and historic Senate House, the Library building with its imposing clock tower, the spacious Centenary Auditorium, the massive Centenary Building is some of the important building of the University campus at Chepauk. Most of the Science departments are located in the Guindy Campus of the University. The campus at Taramani houses the Dr. A. Lakshmanaswamy Mudaliar Post-Graduate Institute of Basic Medical Sciences. The Oriental and Indian languages departments, the Post-graduate Hostel for Men and the University Guest house are located in the Marina Campus. The University Union for Sports and its pavilion are on the Spur Tank Road in Chetpet Campus. The Botanical Garden of the University is located in the Maduravoyal campus.

STUDENTSHIP OF THE UNIVERSITY

The Studentship of the University of Madras is open to all without distinction of nationality, race, religion, community or sex. Foreign students intending to join the University are advised to write to the Director, University Students Advisory Bureau (USAB), University of Madras, Chepauk, Chennai 600 005 at least by May of the calendar year for appropriate action.

CITIZENS' RIGHTS

The University of Madras recognizes that every citizen, and especially the student, has the following rights:

- The right to be informed
- The right to choose

- The right to be heard
- The right for redressal
- The right to healthy environment
- The right to have access to higher education

These rights are adhered to by the Departments of the University and by the affiliated colleges.

STUDENT SUPPORT SERVICES

The University offers a number of student support services. These include the Library, Hostel accommodation, Endowments and Scholarships, 'Earn while you Learn Scheme', University Students Advisory Bureau, SC/ST Cell, NSS and NCC activities and avenues for Sports and Games.

UNIVERSITY LIBRARY SYSTEM

Many of the Departments of the University have their own library collections. Besides, all the campuses of the University are served by large libraries. Computer based information services have been introduced. The Main Library of the University is located at its Tholkapiar Campus. Besides maintaining a collection of print materials, the University Library system also maintains a collection of E-resources on CDs and also subscribe to over four thousand e-journals under U.G.C.'s INFONET programme.

The working hours of the libraries are as below:

University Library, (Chepauk) (Tholkappiar Valagam)	:	8.00 A.M. to 8.00 P.M. <i>on all days.</i>
Guindy Campus library (Maraimalai Valagam)	:	8.00 a.m. to 8.00 p.m. <i>on all working days &</i> from 10.00 a.m. to 4.30 p.m. <i>on holidays</i>
Taramani Campus Library (Sekhizhar Valagam)	:	9.00 a.m. to 6.00 p.m. <i>on all working days.</i>
Marina Campus Library (Parithimar Kalaignar Valagam)	:	10.00 A.M. to 5.45 P.M. <i>from Monday to</i> <i>Friday (Excluding public holidays)</i>

INTERNET CENTRE

The University operates *Internet Centres* in all the campuses. The internet centres are open to all the students of the University departments.

STUDENT HOSTELS

Limited accommodation is available to needy and deserving students in the following six hostels maintained by the University.

Mother Theresa Hostel for Women/ Chepauk Campus
Thiruvalluvar Hostel for Men/ Marina Campus
Bharathiar Hostel for Men/ Guindy Campus
Avvai Hostel for Women /Guindy Campus
Bharathidasan Hostel for Men / Taramani Campus
Dr.Muthulakshmi Reddy Hostel for Women/ Taramani Campus

The hostels provide basic amenities including a common lounge with television, radio, newspapers and magazines.

INTERNATIONAL CENTRE OF MADRAS UNIVERSITY (ICOM)

The University of Madras established the International Centre of Madras University (ICOM) in 2003 in consonance with UGC's X Plan programme on Promotion of Indian Higher Education Abroad (PIHEAD) in fulfillment of its policy evolved to promote the free flow of students from other nations to India, as well as allow Indian students to get educated in other nations. The primary motto of the ICOM is to provide educational excellence and culturally appropriate ambience to all international students.

The ICOM students are advised to contact the Director, ICOM, University of Madras for admission to the courses they are interested in.

On being admitted and after paying the prescribed eligibility fee, the Students Coordinator's office at International Centre of Madras University (ICOM) first scrutinizes the original credentials of the foreign students who are aspiring to pursue either higher programmes or do specialized courses (papers) and then issues eligibility certificates. If it is an Under Graduate programme, with eligibility certificate, a student is directed to go to any of the affiliated colleges according to his/her choice. If it is a Post Graduate programme, the student is admitted into the respective University Departments, subject to clearance by the Ministry of Human Resource Development (MHRD) and subject to production of student's visa on paying the prescribed fee.

The ICOM also encourages joint Ph.D. programmes between the Madras University and foreign Universities from where students are hailing.

UNIVERSITY STUDENTS ADVISORY BUREAU (USAB)

The USAB housed in the Chepauk campus of the University offers counseling and career guidance and also offers placement services to graduates and post graduates of the University. USAB organizes exhibitions on careers and vocations. USAB is the authorized body of the University of Madras for attestation of certificates/marks statements of the University students applying for admission to foreign Universities. The other activities include: Issue of Railway Concession Forms (Season Ticket, Vacation, Data Collection and Educational Tour) to the students studying in the University Departments; Organising Science Talent Promotion Scheme for the First year P.G. Students studying in the University Departments; Organising Job oriented Short-term courses for the Unemployed Graduates; Providing Computer Training courses to the Students; Offering coaching classes for various Competitive Examinations such as UPSC Civil Service Preliminary Examination / TNPSC Group I and II, Staff Selection Commission, UGC NET Examination; Conducting Seminars and Workshops on Career Oriented Courses for the benefit of Graduate/Post Graduate students of the University and the Public; arranging Inter Departmental Cultural Programmes (UNIFEST) for the students in the University Departments; set up cultural Get-together frequently for the International Students studying in the University Departments and affiliated Colleges; celebrating International Women's day with the participation of Women's staff and students of University Departments and affiliated Colleges.

NATIONAL SERVICE SCHEME (NSS) AND NATIONAL CADET CORPS (NCC)

The NSS Unit of the University organizes regular and special camps related to health and hygiene, literacy, environment, personality development, etc. These camps are usually held in the campuses of affiliated colleges or in the adopted villages. These involve student volunteers in various youth-related seminars, workshops and training programmes. NSS Unit also deputed volunteers to various Inter State Camps, National Integration Camps and also Inter State and National Cultural Festivals.

The NSS students of Madras University area take part in All India Basic Leadership Camps (Boys and Girls), Nau Sainik Camps, All India Competition Camps, Vayu Sainik Camps, Skeet shooting, drill and glider competitions, Para Training courses, Mountaineering courses, Army, Navy, Air Force training, All India Trekking Expeditions, National Integration Camps, Para Sailing, Flying/Gliding training, etc.

SPORTS AND GAMES

For the promotion of Sports, the Madras University Union was formed in the year 1932 at Rutland House, Spur Tank Road, Chetpet, Chennai. The facilities include a pavilion, sports track, athletic track, volley ball court, basket ball court, badminton court, and two tennis courts. Students of the University participated in more than 30 South zone and All India Inter-University Sports competitions annually.

SC/ST CELL

A Standing Committee for the welfare of SC/ST has been constituted in the University with the Vice-Chancellor as Chairman to look after the welfare of SC/ST students. A Special Cell for the welfare of students belonging to Scheduled Castes and Scheduled Tribes has been set up. The cell has the responsibilities of receiving, scrutinizing and processing applications from SC/ ST students of University departments for: Tuition fee concession; National overseas scholarship for higher studies abroad; Indian Oil scholarships to SC/ ST students pursuing full time P.G. Programmes in Business Administration / Management in recognized institutions; closely monitor the implementation of the reservation policy of the State Government in admission and hostel accommodation; Collect data from the University departments and affiliated colleges regarding admission of SC/ST students and hostel accommodation SC/ST students may contact the SC/ST Cell, University of Madras, Tholkapiar Valagam for any guidance and redressal of grievances.

Fee concession would be given to the SC/ST candidates for Self-Supportive courses offered in the University Departments. These students are entitled for 50% fee concession on Tuition fee, Laboratory fee and Special fee only.

The fees payable by the SC/ST students of other states are not reimbursed by the Govt. of Tamil Nadu, hence other state SC/ST students have to pay the fees in full as levied to other students and later they can get it refunded from their respective State Governments Scholarship.

DIFFERENTLY ABLED STUDENTS

Full fee exempted from payment including examination fee and special fees are provided for the Physically Challenged students in P.G. and M.Phil Programmes in the University Departments of Teaching and Research.

MADRAS UNIVERSITY FREE EDUCATION SCHEME

Tuition and other Fees except Examination Fees for one poor student based on merit and economic status in each P.G. Programme will be provided.

Candidates belonging to SAARC countries are entitled to 40% concession on Tuition Fee only. Sri Lankan Tamil students and Tibetan refugees are eligible to pay Tuition and other course fees on par with the Indian students for all the P.G/M.Phil Programmes offered in the University Departments under CBCS Regulations.

EARN WHILE YOU LEARN SCHEME

A novel scheme of 'Earn while you Learn' for Post-graduate students and Research Scholars of the University has been introduced. Under this, deserving students will work as Part-time Laboratory Assistants, Library Assistants, Technical Assistants, and Tutorial Assistants (for M.Phil & Ph.D. Scholars) in the University for a specified number of hours every month. They will receive a suitable monthly remuneration.

ENDOWMENTS

Several medals and prizes for holders in various examinations, for outstanding essays, for theses are awarded under various Endowments instituted in the University.

SOFT SKILL PROGRAMME

In tune with the goals and vision of the University, the authorities of the University devised new methodology for successfully conducting Soft Skill courses in the four campuses. The University of Madras has been offering the Soft Skills program to all its students. It is mandatory for every student of the University to acquire 8 credits from this program to successfully complete their post graduation degree. The Soft Skills program at the University is a thirty hour module.

REFUND OF FEES

As per the UGC Guidelines, the refund of fees paid by the candidates who have withdrawn before beginning of the classes will be refunded after deduction of Rs.1000/- (Notification F.No.1-3/2007 (CPP II) dated 23.04.2007).

LANGUAGE LABORATORIES

The language laboratory focuses on computer-aided multi-media instruction and language acquisition. This learner friendly mode of language learning enables the students to be self instructional. The laboratory acts as a platform for learning, practicing and producing language skills through interactive lessons and communicative mode of teaching.

INTERNSHIP

Internship is intended to gain practical knowledge related to the study. The duration is for 4-6 weeks for 2 credits and 6-8 weeks for 3 credits and it should be carried out in an organization recommended by the Department during the summer vacation of the first year. A report must be prepared and submitted to the HOD concerned for evaluation and grading.

STUDENTS SAFETY INSURANCE

Compulsory Students Insurance Scheme has been introduced for the students of University Departments of study and research.

STUDENTS SAFETY INSURANCE SCHEME ALONG WITH THE SALIENT FEATURES IS FURNISHED BELOW:

- Insurance to the Students' to be given any time/anywhere during their period of study.
- Hospitalization Charges (arising out of accident) up to Rs.1,00,000/- to the students.
- In the event of death of the Students (arising out of accident) coverage of Rs.2,00,000/-
- In the event of accidental death of the students' bread winner parent/guardian, as a package Rs.1,00,000/-

- Any intimation of the occurrence giving rise to a claim should be made to the Company immediately by the Department/Institution.

RAGGING REDRESSAL COMMITTEE

University has zero tolerance for any kind of ragging which will cause any inconvenience to students in academic institutions. University has appointed a High Level Committee with the Vice-Chancellor as the Chairperson to consider any issue pertaining to ragging in the University Department and affiliated colleges.

WOMEN'S SEXUAL HARASSMENT REDRESSAL CELL

University discourages any form of harassment based on Gender and encourages students to give respect to fellow students without any discrimination. If there is any kind of harassment, the University authorities would deal with the matter severely and accord due punishment. University has constituted a Redressal Cell (Vishaka Committee) to oversee complaints regarding any kind of harassment of women.

PREVENTION AND REDRESSAL OF HARASSMENT AGAINST STUDENTS, STAFF AND FACULTY MEMEBRS

In order to create safe campuses for students, staff and faculty to function without fear, threat or anxiety and to redress the grievance an Harassment Complaints Committee has been constituted to oversee complaints regarding any kind of harassment of students, staff and faculty members.

IV. SCHOLARSHIPS

Apart from SC/ST, BC/MBC and National Merit scholarships many other scholarships are available to the students of the University Departments.

CHE	School of Chemical Sciences	1. Analytical Chemistry 2. Inorganic Chemistry 3. Organic Chemistry 4. Physical Chemistry 5. Polymer Science 6. Energy	Guindy
PHY	School of Physical Sciences	1. CAS in Crystallography and Biophysics 2. Nuclear Physics 3. Theoretical Physics 4. Central Instrumentation and Service Laboratory 5. Materials Science	Guindy
LIF	School of Life Sciences	1. C.A.S. in Botany 2. Zoology 3. Biochemistry 4. Biotechnology 5. Bioinformatics 6. Centre for Ocean and Coastal Studies 7. Centre for Herbal Sciences 8. Centre for Stem cell Research	Guindy
BMS	School of Basic Medical Sciences	1. Anatomy 2. Endocrinology 3. Medical Biochemistry 4. Genetics 5. Microbiology 6. Pharmacology & Environmental Toxicology 7. Physiology 8. Pathology	Taramani
NSP	School of Nanoscience and Photonics	1. National Centre for Ultrafast Processes 2. National Centre for Nanoscience and Nanotechnology	Guindy
	Department of Physical Education and Sports		Chetpet

Besides Ph.D programme, many of the Departments offer programmes at various levels under the CBCS. The programmes offered include:

- *Master Degree Courses*
- *PG Diploma Courses*
- *Diploma Courses*
- *Certificate Courses*

VI DEPARTMENT-WISE PROGRAMMES UNDER CBCS

Department	Programmes offered
Ancient History and Archaeology	M.A. Ancient History and Archaeology (Regular & Self-Supportive) P.G. Diploma in Archaeology (2 Years)
Indian History	M.A. Historical Studies
Anthropology	M.A. Anthropology
Anna Centre for Public Affairs	M.A. Public Administration (<i>Tamil Medium</i>) M.A. Public Policy M.A. Development Administration
Criminology	M.Sc. Criminology and Criminal Justice Science (Regular & Self Supportive) Diploma in Juvenile Justice and Juvenile Psychology (Self-Supportive) Diploma in Cyber Crime and information Technology Certificate in Juvenile Justice and Juvenile Psychology
Centre for Cyber Forensics & Information Security	M.Sc. Cyber Forensics & Information Security (Regular & Self Supportive)
Education	M.Ed. (<i>General</i>) Regular & Self Supportive P.G. Diploma in Parent Counselling (<i>For School Principals & Teachers</i>)
Women Studies	M.A. Women's Studies
Social Work	Master of Social Work (M.S.W.)
Sociology	M.A. Sociology
Defence and Strategic Studies	M.A. Defence and Strategic Studies (Regular & Self Supportive)
Politics and Public Administration	M.A. Political Science M.A. Public Administration M.A. International Relations
Adult and Continuing Education	M.A. Lifelong Learning M. A. Human Resource Management (Regular & Self Supportive) P.G. Diploma in Extension and Development Administration Diploma in Travel & Tourism Management Certificate in Blogging (SS) Certificate in TV News Reading & Comparing (SS) Certificate in Web-Page Design (SS) Certificate in Pre-Primary Education (SS) Certificate in NGO Management (SS) Certificate in Hospitality Management (SS) Certificate in Skin Care and Beauty Therapy (SS) Certificate in Women's Studies (SS) Certificate in Functional English & Public Speaking (SS)
Economics	M.A. Economics
Econometrics	M.A. Econometrics M.A. Financial Economics

Dr. Ambedkar Centre for Economic Studies	P.G. Diploma in Ambedkar Thoughts
Philosophy	M.A. Indian Philosophy M.A. Buddhism M.A. Yoga : Theory and Practice (Self Supportive) P.G. Diploma in Peace & Communal Harmony P.G. Diploma in Yoga: Theory, Practice and Therapy
Journalism and Communication	M.A. Journalism and Mass Communication
Saiva Siddhanta	M.A. Comparative Religion and Philosophy with Specialization in Saiva Siddhanta Studies M.A. Saiva Siddhanta – Philosophy and Practice P.G. Diploma in Saiva Siddhanta P.G. Diploma in Periya Puranam Studies Diploma in Saiva Siddhanta Certificate in Saiva Siddhanta
Vaishnavism	M.A. Vaishnavism M.A. Divyaprabandham P.G. Diploma in Divyaprabandham
Christian Studies	M.A. Comparative Religion and Philosophy with Specialization in Christian Studies M.A. Christian Scriptures P.G. Diploma in Ethics and Human Resource Management P.G. Diploma in Ethics and Biotechnology P.G. Diploma in Spirituality and Counselling P.G. Diploma Biblical Languages & Interpretation P.G. Diploma in Christian Approaches to Family Care and Counselling (Self-Supportive) (Part-time) Diploma in Bible and Christian Doctrines (Self-Supportive) (Part-time) Certificate in Christian Communication and Media Education (Self Supportive) Certificate in Christian Scriptures, Spiritual Practices and Ethics (Self Supportive) Certificate in Christian Scriptures and Interpretation
Jainology	M.A. Jaina Studies Diploma in Jaina Temple Management Diploma in Buddhist Studies Certificate in Buddhist Studies Certificate in Jainology
JBAS Centre for Islamic Studies	M.A. Islamic Studies
English	M.A. English (Regular & Self Supportive) P.G. Diploma in Technical writing

French & Other Foreign Languages	M.A. French Diploma in French (Self Supportive) Diploma in German (Self Supportive) Diploma in Italian (Self Supportive) Diploma in Spanish (Self Supportive) Certificate in French (Self Supportive) Certificate in German (Self Supportive) Certificate in Italian (Self Supportive) Certificate in Spanish (Self Supportive)
Hindi	M.A. Hindi P.G. Diploma in Functional Hindi & Translation (Part Time)
Kannada	M A. Kannada Diploma in Kannada Certificate in Kannada
Malayalam	M.A. Malayalam Certificate in Malayalam
Tamil Literature	M.A. Tamil Literature and Culture P.G. Diploma in Manuscriptology and Editing P.G. Diploma in Folkloristics and Mass Media P.G. Diploma in Inscription and culture P.G. Diploma in Linguistics
Tamil Language	M.A. Tamil Studies
Telugu	M.A. Telugu Diploma in Telugu Certificate in Telugu
Arabic, Persian and Urdu	M.A. .Arabic M.A. Urdu Diploma in Arabic Diploma in Urdu Certificate in Arabic Certificate in Urdu
Indian Music	M.A. Indian Music M.A. Bharathanatyam (Self-Supportive) Diploma in Teaching Methodology- Abhinaya & Nattuvangam(SS) Diploma in Teaching Methodology in Music (SS) Certificate in Karnatic Music (Self Supportive) Certificate in Voice Training (Self Supportive)
Sanskrit	M.A. Sanskrit Certificate in Yoga (P.T.)
Legal Studies	LL.M. International Law and Organisation (Regular & SS)* LL.M. Constitutional Law and Legal Order (Regular & SS)* *LL.M. Programmes offered in alternate years
Commerce	M.Com. International Business and Finance M.Com. Business Data Science (Self Supportive) P.G. Diploma in Banking & Finance (Self Supportive) Diploma in Internal Audit Diploma in Business Research Analysis Diploma in Tally and GST Filing Diploma in Global Trade management

Management Studies	M.B.A. (Regular & Self-Supportive) Executive MBA (EMBA) Weekend mode (Self Supportive)
Library and Information Science	Master of Library and Information Science (M.Lib.I.Sc.) P.G. Diploma in Digital Library Management
Psychology	M.Sc. HRD Psychology (Regular & Self-Supportive)
Counselling Psychology	M.Sc. Counselling Psychology (Regular & Self-Supportive) P.G. Diploma in Counselling and Psychotherapy P.G. Diploma in Development Disabilities (Self Supportive) Diploma in Learning Disabilities (SS) Diploma in Austim Spectrum Disorder (SS)
RIAS in Mathematics	M.Sc. Mathematics (Regular & Self-Supportive)
Statistics	M.Sc. Statistics M.Sc. Actuarial Science (Self-Supportive)
Computer Science	M.C.A (2 YEARS) M.Sc. Computer Science (Self-Supportive)
Geography	M.Sc. Applied Geography M.Tech Geoinformatics P.G. Diploma in Geospatial Data Analytics (Self Supportive)
Geology	M. Sc. Geology (Regular & Self-Supportive)
Applied Geology	M.Sc. Applied Geology (Regular & Self-Supportive)
Analytical Chemistry	M.Sc. Analytical Chemistry Certificate in Classical Analysis and Basic Analytical Instrumentation techniques
Inorganic Chemistry	M.Sc. Inorganic Chemistry
Organic Chemistry	M.Sc. Organic Chemistry
Physical Chemistry	M.Sc. Physical Chemistry
Polymer Science	M.Sc. Chemistry (Polymer Chemistry)
CAS in Crystallography and Biophysics	M.Sc. Biophysics
Theoretical Physics	M.Sc. Physics
Nuclear Physics	M.Sc. Physics
Network System & Information Technology	M.Sc. Information Technology (Self-Supportive)
Materials Science	M.Sc. Materials Science (Self Supportive)
National Centre for Nanoscience & Nanotechnology	M.Sc. Nanoscience & Nanotechnology (Regular & Self Supportive)
Energy	M.Sc. Energy & Material Sciences
Biochemistry	M.Sc Biochemistry (Regular & Self- Supportive)
Biotechnology	M.Sc. Biotechnology (Regular & Self- Supportive)
CAS in Botany	M.Sc. Botany P.G. Diploma in Taxonomy of Algae P.G. Diploma in Taxonomy of Fungi
Zoology	M.Sc. Zoology P.G. Diploma in Molecular Cell Biology and Stem Cell Technology P.G. Diploma in Immunotechnology P.G.Diploma in Clinical Embrovology (Self Supportive)
Medical Biochemistry	M.Sc. Medical Biochemistry (Regular & Self Supportive)
Genetics	M. Sc. Biomedical Genetics

Microbiology	M.Sc. Medical Microbiology (Regular & Self Supportive) (Three years)
Anatomy	M.Sc. Anatomy (Three Years) M.Sc. Neuroscience (Self Supportive)
Physiology	M.Sc. Physiology (Three years)
Pathology	Advanced Diploma in Cellular and Molecular Pathology Techniques (Self Supportive)
National Centre for Ultrafast Processes	M.Sc. Photonics and Biophotonics
Physical Education and Sports	M.Sc. Yoga P.G. Diploma in Yogic Education

VII. CHOICE BASED CREDIT SYSTEM (CBCS) REGULATIONS

CBCS SYSTEM

Choice-Based Credit System is a flexible system of learning. The distinguishing features of CBCS are the following:

- It permits students to learn at their own pace
- Choose electives from a wide range of elective courses offered by the University Departments with consulting Department Faculty Members
- Undergo additional courses and acquire more than the required number of credits
- Adopt an inter-disciplinary and intra-disciplinary approach in learning, and
- Make best use of the expertise of available faculty

General Eligibility conditions for admission to Masters Programme through formal education as per the UGC Regulations, 2018.

No student shall be eligible for admission to a Masters degree programme in any of the faculties unless he/she has successfully completed a three year undergraduate degree or earned prescribed number of credits for an undergraduate degree through the examinations conducted by a University / autonomous institution or possesses such qualifications recognized by the University of Madras as equivalent to an undergraduate degree.

1 SCHOOLS, DEPARTMENTS AND PROGRAMMES

- 1.1 There are 87 Departments of study and research in the University which are grouped into 18 schools. Most of these departments offer programmes at various levels under the CBCS.

2 COURSES

- 2.1 A programme consists of a number of courses. A 'Course' is a component (a paper) of a programme. Every course offered by any University Department is identified by a unique course code. A course may be designed to involve lectures / tutorials / laboratory work/ seminar / project work / practical training / report writing / Viva voce, etc or a combination of these, to meet effectively the teaching and learning needs and the credits may be assigned suitably.

3 SEMESTERS

- 3.1 An academic year consists of two semesters. Odd Semester (I and III Semesters): July to November Even Semester (II and IV Semesters): December to April
- 3.2 A semester normally extends over a period of 15 weeks. Each week has 30 hours instruction spread over a 5 day week.

4 CREDITS

4.1 Credit defines the quantum of contents/syllabus prescribed for a course and determines the number of hours of instruction required per week. Thus, normally in each of the courses, credits will be assigned on the basis of the number of lectures/tutorial laboratory work and other forms of learning required completing the course contents a 15 week schedule:

- 1 Credit=1 hour of lecture per week (1Credit course=15 hours of lectures per semester)
- 3 credits = 3 hours of instruction per week (3 Credit course = 45 hours of lectures per semester)

Instructions can take the form of lectures/tutorials/laboratory work/fieldwork or other forms. In determining the number of hours of instruction required for a course involving laboratory/field-work, 3 hours of laboratory/ field work is generally considered equivalent to 1 hour of lecture.

5 COURSE NUMBERING

Every course offered by any University Department is identified by a unique course code.

Illustration

EAS C 001	Geomorphology	L	T	P	C
		3	0	0	3

In this example: **EAS C 001** is the course code in which:

EAS - is the school code (School of Earth and Atmospheric Sciences)

C - Indicates that this is a Core Course

001 - is the serial number of the Course - Geomorphology - is the title of the Course

The figures under *L, T and P* indicate the credits attached to lectures, tutorials and practical work respectively.

The figure under *C* indicates the total number of credits that the course carries (3 credits in this case).

6 ADMINISTRATION OF CBCS

6.1 CBCS OFFICE

To discharge the responsibilities of CBCS programmes of the University, there is an exclusive administration wing called CBCS Office. The CBCS Office has the following functions:

Advertisement of CBCS programmes, Approval of Admission of Students made by Departments, Course Registration, issue of identity Cards through the respective campus libraries, Coordination of Time Table and preparation of Academic Calendar, Attendance and Consolidation of awards in First Assessment, Second Assessment and the End-Semester Examination and forwarding the consolidated awards lists to the Controller of

Examinations for scrutiny and distribution of Grade Cards, Cumulative Grade Cards and Provisional Pass Certificates, Convocation Degree/Diploma etc.

6.2 DEANS

The Dean (Academic) will plan and coordinate all CBCS programmes. The Dean will be assisted by a committee consisting of Chairpersons of Schools. The responsibilities of the Dean (Academic) include:

- Preparation of Academic Calendar and Handbook
- Coordination of Programmes between schools and other external institutions
- Consideration of appeals from students regarding the operational problems relating to CBCS

Dean (Admissions) - The responsibilities of the Dean (Admissions) include:

- Preparation of Prospectus and Admission Application forms for Post- Graduate (Masters), PG Diploma, Diploma and Certificate programmes offered in the University Departments.
- Admission to various courses in the University Departments.
- Coordination of Common Time Tables in consultation with Schools.

Dean (Examinations) - The responsibilities of the Dean (Examinations) include:

- Preparation of Registration-cum-Examination form, Grade/Cumulative Grade sheet and student transcripts
- Coordination of Common CBCS Examination and Evaluation schedule.
- Coordination with Controller of Examinations and Chairpersons of Schools for publication of results on time.

6.3 BOARD OF STUDIES

6.3.1 There shall be a school committee consisting of all the teachers of all departments of the school. In order to optimize the use of resources and talents, to avoid duplication of courses and, for effective coordination of CBCS programmes within a school; it is headed by a Chairperson.

6.3.2 The School Committee will prepare the common time table in consultation with the Director of the Campus.

6.3.3 Each school committee will meet at least twice in a semester.

6.3.4 Meeting notices for the School Committee will be sent by the Chairperson of the School

6.3.5 The School Committee will also serve as the Board of Studies for all the Programme offered by the various departments of the school. The Chairperson of the School will be the Chairperson of the Board of Studies.

The Board of Studies will formulate and recommend:

- Eligibility criteria for admission to CBCS Programmes*
- Curriculum Content*
- Model Question Papers for each course and assessment procedure*

6.4 DEPARTMENTAL COMMITTEE

6.4.1 There shall be a Departmental Committee (as stipulated by the authorities) consisting of the teachers of the Department. The Departmental Committee shall be responsible for admission to all the programmes offered by the Department

including conduct of entrance tests, verification of records, admission, and evaluation.

- 6.4.2 The Departmental Committee will deliberate on courses and specify the distribution of credits semester-wise and course-wise. For each course it will also specify the number of credits for lectures, tutorials, practicals, seminars etc.
- 6.4.3 Courses (Core/Elective) are designed by teachers and approved by the Departmental Committees. Courses approved by the Departmental Committees shall be approved by the Board of Studies.
- 6.4.4 Course Instructor: A teacher offering a course will also be responsible for maintaining attendance and performance sheets of all the students registered for the course.
- 6.4.5 Each teacher offering a course will give the attendance and performance sheets for Sessional Test I, Sessional Test II and End-Semester Examination to the Head of the Department who in turn consolidates all such performance sheets of courses pertaining to the programmes offered by the department. Then the School Committee meets to finalize the results of all courses offered under the school and forward the same to be processed by the Dean/CBCS office/Controller of Examinations.

7 STUDENT ADVISOR

Every student will have a member of faculty of the Department as his/her student advisor. All teachers of the department shall function as Student Advisors and will have more or less equal number of students. The Student Advisor will advise the students in choosing Elective courses and offer all possible student support services.

8 PROSPECTUS AND HANDBOOK

- 8.1 The Prospectus uploaded in the University website (www.unom.ac.in) for the Master and other programmes contains (i) A profile of the University of Madras (ii) List of Schools of the University and programmes offered in University Departments (iii) Eligibility Conditions for various programmes (iv) Fee Structure (Course and Examination fee).
- 8.2 The soft copy of the CBCS Handbook mailed to students contains (i) CBCS Regulations (ii) Complete List of Courses (Programme-wise) and (iii) the Academic Calendar for two years.

9 STRUCTURE OF MASTER PROGRAMME

The term '*Master Programme*' is used to denote M.A., M.Sc., M.J., M.Com., M.B.A., M.C.A., M.Ed., M.L., M.Lib.I.Sc. and M.Tech. degree programmes offered by University Departments under CBCS.

A Master Programme consists of:

- *Core courses*
- *Elective courses*
- *Self-Study Courses (Optional, Not mandatory)*
- *Soft Skills*
- *Internship*

A course may also take the form of a Dissertation/Project work/ Practical training/Field work/Internship/Seminar, etc.

A Core course may carry 2 to 4 credits; an Elective/Self-study will be 3 credits and courses on soft skills will carry 2 credits. However, a dissertation / project work may carry up to 6 credits; a semester - long field work may carry 10 -15 credits.

9.1 COMPONENTS

All Two - year Master programmes will have the following components, viz.

<i>Core Courses</i>	- <i>Minimum 60 credits (mandatory)</i>
<i>Electives</i>	- <i>Minimum 21 credits (7 x 3 credits) (mandatory)</i>
<i>Self-study courses</i>	- <i>Maximum 9 credits (3 x 3 credits) (not mandatory)</i>
<i>Soft Skills</i>	- <i>Minimum 8 credits (4 x 2 credits) (mandatory)</i>
<i>Internship</i>	- <i>Minimum 2 credits (mandatory)</i>

In order to qualify for a two-year Master Degree a Student must acquire a minimum of 91 credits - 60 credits from core, 21 credits from electives and a minimum of 10 credits from soft skills and internship (8 credit from soft skills, 2 credits from internship).

Minimum credits denotes Core – 60 Credits (Mandatory), Electives – 21 Credits (7 courses x 3 credits mandatory), Soft Skills – 8 credits (4 courses x 2 credits mandatory) and Internship – 2 credits mandatory for 2 year P.G. Programme. Students can take more than the prescribed limit of electives and soft skill courses in their own interest, in the prescribed credit structure)

The three year Master programme (e.g. M.Sc.) will have following components viz.,

<i>Core Courses</i>	- <i>Minimum 90 credits (mandatory)</i>
<i>Elective Courses</i>	- <i>Minimum 30 credits (10 x 3 credits) (mandatory)</i>
<i>Self - study Courses</i>	- <i>Maximum 12 credits (4x3 credits) (not mandatory)</i>
<i>Soft skills</i>	- <i>Minimum 12 credits (6 x 2 credits) (mandatory)</i>
<i>Internship</i>	- <i>Minimum 3 credits (mandatory)</i>

In order to qualify for a three - year Masters Degree a student must acquire a minimum of 135 credits from Master Degree.

Minimum credits denotes Core – 90 Credits (Mandatory), Electives – 30 Credits (10 courses x 3 credits mandatory), Soft Skills – 12 credits (6 courses x 2 credits mandatory) and Internship – 3 credits mandatory for 3 year P.G. Programme. Students can take more than the prescribed limit of electives and soft skill courses in their own interest, in the prescribed credit structure)

9.2 DURATION

MINIMUM DURATION

- The minimum duration for completion of a two year Master Programme in any subject is four semesters.
- The minimum duration for completion of a three year Master Programme in any subject is six semesters.

MAXIMUM PERIOD FOR COMPLETION OF THE PROGRAMS TO QUALIFY FOR A DEGREE:

A student who for whatever reasons is not able to complete the programs within the normal

period (N) or the minimum duration prescribed for the programme, may be allowed two years period beyond the normal period to clear the backlog to be qualified for the degree. (Time Span = N+2 years for the completion of programme.)

In exceptional cases like major accidents and child birth an extension of one year be considered beyond maximum Span of time (Time Span = N+2+1 years for the completion of programme).

Students qualifying during the extended period shall not be eligible for Ranking.

A student who has obtained the minimum required credits in core, elective, soft skills, and internship will be considered to have passed the Master Programme.

- Even if a candidate earns the required number of credits in less than 4 / 6 semester he/she has to necessarily study for 4 semesters for the two years Master programme and for 6 semesters for a three year Master programme.

9.3 CORE COURSES

Core courses are those, knowledge of which is deemed essential for students registered for a particular Master programme. Where feasible and necessary, two or more programmes offered by the same department/school or courses offered by other departments may be prescribed as one or more common core courses. A student must choose from the core courses prescribed for a particular Master Programme. Core courses shall be spread over all the four semesters.

9.4 ELECTIVE COURSES

Elective courses are intended:

- Allow students to specialize in one or more branches of the broad subject area
- Acquire knowledge and skills in a related area that may have applications in the broad subject area (or)
- Bridge any gap in the curriculum and enable acquisition of essential skills (e.g. statistical computational, language, communication skills, etc.) (or)
- Help pursue an area of interest to the student

9.5 SELF-STUDY COURSES

- A Department may also allow students to choose three additional courses to enable them to acquire extra credits through self-study (not to be taken into account for awarding grades/class).
- The course will be in advanced topics in a subject (core or elective) under the supervision of a faculty member. The student shall be required to make a minimum of two seminar presentations (as sessional tests for assessment) and submit a project report. There shall be a viva - voce examination on the report; the distribution of marks for the project report and viva -voce shall be 40 and 20 respectively.

9.6 AUDITING

Students will be permitted to audit two courses without assigning any credits. It is left to the discretion of the individual faculty member to permit students.

9.7 SOFT SKILL AND INTERNSHIP

Courses in soft skills such as will enhance the professional competency and also increase the employment prospects of the students.

Soft skill courses may be regular mode courses offered by the department or schools, or MOOCs or on-line courses of the University. A student may choose Soft skill courses from the following modes:

- a. From their own Department or School
- b. From a departments of other School
- c. From the learning portals of AICTE-NPTEL, UGC-SWAYAM, MOOC or from another online learning platform as may be approved by the UGC
- d. From the online learning platform of the University of Madras.

The list of soft skill courses will be listed in the department PG programme along with core and elective courses.

A student must not choose a course on soft skill closely related to his/her Master programme. The Department Committee will decide which of the courses on soft skills are closely related to the Master programme(s) of the department.

Internship is intended to gain practical knowledge related to the study. The duration is for 4-6 weeks for 2 credits and 6-8 weeks for 3 credits and it should be carried out in an organization recommended by the Department during the summer vacation of the first year.

10 COURSE REGISTRATION

- 10.1 After admission to a Programme, a Registration Number will be assigned to every Student by the Department.
- 10.2 Every student must register (in consultation with his/her advisor) for the courses he/she intends to undergo in that semester by applying in the prescribed proforma through online otherwise in triplicate for manual (duly signed by the candidate, student advisor and the HOD), within the deadline notified in the Academic calendar (Title of the Courses are given in the handbook)
- 10.3 A student shall register for a minimum of 15 credits and can register for a maximum of 24 credits in a semester. However, in the final Semester, a student shall register for a minimum of 10 credits. Late Registration may be permitted by the Dean (Academic) up to two weeks after the commencement of the semester.
- 10.4 Withdrawal from a course is permitted upto one week from the date of registration.
- 10.5 After registration, a student can drop an elective course agreed to earlier and can substitute it by another elective course for valid reasons with the consent of Student Advisor, but before the deadline for withdrawal of courses provided that the candidate will be able to fulfill the required minimum attendance in the substitute course. Withdrawal from a course will not be permitted for those who undergo late registration. Cancellation of a course (Core/Elective/Self-study) may be permitted before the conduct of First sessional test.
- 10.6 From the Second Semester onwards, registration for the courses will be done by students on or before a specified date in consultation with their Student Advisors. A

student will become eligible for registration only if he/she has cleared all dues to the Department, during the previous semester.

- 10.7 The courses registered after withdrawal should enable the student to earn a minimum of 15 credits.

STUDENT EXCHANGE PROGRAM

Post Graduate Students are permitted to spend one semester or summer internship/summer course(s) or one semester along with summer vacation in a university/higher education institution in India or Abroad for study, with prior approval of the University. The student shall apply for permission from the University in the **prescribed format** through the Head of the Department. For further details/instructions please contact the Head of the Department concerned.

11 ATTENDANCE

- 11.1 The teacher handling a course shall be responsible for maintaining a record of attendance of students who have registered for the course.
- 11.2 All teachers shall intimate the Head of the Department at least seven calendar days before the last instruction day in the semester the particulars of all students who have less than 75% attendance in one or more courses.
- 11.3 A candidate who has less than 75% attendance shall not be permitted to sit for the end-semester examination in the course in which the shortfall exists.
- 11.4 However, it shall be open to the Dean (Academic) to grant exemption to a candidate who has failed to obtain the prescribed 75% attendance for valid reasons on payment of prescribed fee and such exemptions shall not under any circumstances be granted for attendance below 65%.
- 11.5 The HOD shall announce the names of all students who will not be eligible to take the End-semester examinations in the various courses and send a copy of the same to Dean's office and CBCS Section. Registrations of such students for those courses shall be treated as cancelled. If the course is a core course, the candidate should register for and repeat the course when it is offered next time.
- 11.6 Biometric attendance introduced for all students in the University Departments, in order to ensure adequate attendance of students in the course.

12 EXAMINATION AND EVALUATION

- 12.1 Evaluation will be done on a continuous basis, three times during each semester. For the purpose of uniformity, particularly for interdepartmental transfer of credits, there will be a uniform procedure of examination to be adopted by all teachers. There will be two sessional tests and one End-semester examination in each course during every semester.
- 12.2 Sessional Test I will be held during the sixth week of the semester for the syllabi covered till then.
- 12.3 Sessional Test II will be held during the eleventh Week for the syllabi covered between seventh and eleventh weeks.
- 12.4 Sessional Tests (of one to two hours duration) may employ one or more assessment tools

such as objective tests, assignments, paper presentation and laboratory work suitable to the course. This requires an element of openness. The students are to be informed in advance about the nature of assessment. **Students shall compulsorily attend the two sessional tests, failing which they will not be allowed to appear for end-semester examination.** A Student cannot repeat Sessional Tests. However, if for any compulsive reason the student could not attend the test, the prerogative of arranging a special test lies with the course teacher. In case of students who could not attend any of the sessional tests due to medical reason or under extraordinary circumstances, a separate test shall be conducted before the End Semester Examinations by the respective faculty member.

12.5 The sessional tests will carry 40% (20%+20%) of total marks for the course. The marks of the two Sessional Tests shall be taken into account for the computation of Grade. ***The marks with attendance shall be uploaded in the online mark entry portal of the University within one week after the sessional examination. The portal will be closed after two weeks of the date of the examination.***

12.6 There shall be one End-semester examination of 3 hours duration carrying 60% of marks in each course covering the entire syllabus prescribed for the course. The End semester examination is normally a written/laboratory-based examination. The mode of End semester examination and evaluation will be decided by the teacher in consultation with the Departmental Committee. Model Question Paper for each course has to be prepared by the teacher and the same should be forwarded to the Head of Department. ***The end-semester examination time schedule will be prepared by the CBCS section.*** The Head of Department will fix the date for Departmental Committee meeting to finalise the results.

The course faculty must evaluate the answer scripts and submit the results to the Head of the Department before the Departmental Committee meeting.

12.7 End-semester Practical examinations shall normally be held before the theory examinations.

12.8 To improve Internal Assessment marks in theory subjects for P.G Degree with the following conditions.

- i. Should have cleared end-semester with more than 50% marks in PG.
- ii. Should have obtained less than 30% marks in the Internal Assessment.
- iii. Should be permitted to improve internal assessment within N+2 years.
- iv. Chances for reassessment will be open only for 25% of core courses in University Departments and only one chance per course will be given.
- v. The Department Committee will decide based on the request for reassessment and designate a faculty member of the department to conduct the examination and evaluation
- vi. The reassessment may be based on a written test/assignment or any other for the entire internal assessment marks.
- vii. The candidate must register for examination in the on-line system along with prescribed examination fee for that course.

12.9 The valuation and revaluation exceeds 15 marks out of total 60 marks for the University Departments then the answer papers be valued by a third examiner.

12.10 Valuation of Project Report / Dissertation and Viva-voce

The distribution of marks for the dissertation will be as below:

Periodical presentation	-	20 Marks
Concise dissertation	-	60 Marks
Viva-voce	-	20 Marks
TOTAL		100 Marks

- 12.11 Evaluation of soft skills will be done on continuous basis as other core and elective courses.

Dissertation/project report will be valued jointly by the supervisor and one more examiner within the Department/University or from outside the University (without any financial commitment on the part of the University) nominated by the Head of the Department. Students may be asked to make a presentation before the faculty members and students.

13 MARKS AND GRADING

The total performance within a semester will be indicated by a Grade Point Average (GPA), and the performance of the programme by Cumulative Grade Point Average (CGPA). Hence CGPA is the real indicator of student's performance. They are calculated by the formulations given below:

$$CGPA = (\sum C_{ni} G_{ni}) / (\sum C_{ni})$$

Where C_{ni} - number of credits of the n th course of the i th semester, G_{ni} - grade points of the n th course of the i th semester

- 13.1 A candidate has to secure a minimum of 50 percent of marks (Two sessional Tests marks plus End- Semester examination mark) in the course taken inclusive of soft skills, to pass in that course. A candidate who has not secured a minimum of 50 percent of marks in a course shall be deemed to have failed in that course.

REDOING THE COURSE

(a) *Due to not attending the complete semester*

A student who has failed to attend a complete semester during his Master programme due to some unavoidable reasons could redo at the corresponding semester after due completion of the 2/3 years Master program.

For example, a student who has joined a two year programme in 2021-2022 and has completed the first semester and has missed the 2nd semester i.e. even semester during Dec-Apr 2022, due to some unavoidable reasons, he /she can continue with the 3rd and 4th semesters during 2022-2023 after approval by the department. He can redo the missed 2nd semester correspondingly in the year 2023-2024 i.e. during Dec-Apr 2024 for the completion of his two year program.

(b) *Due to not attending specific paper(s) in any semester*

A student who has failed to attend a specific paper(s) in any semester (shortage minimum attendance requirement) during his Master programme due to some unavoidable reasons could redo the specific paper at the corresponding semester after due completion of the 2 or 3 years Master's programme.

A student can also redo the paper again in case of poor marks in sessional tests and having difficulty in obtaining the qualifying marks to pass the paper after the end semester.

For example a student who has joined a two year programme in 2021-2022 and has completed the first semester but could not attend a specific paper due to some unavoidable reasons, he can continue with the 2nd semester and subsequent semesters. He can redo the missed out specific paper in the corresponding semester i.e. 1st semester in the year 2022-2023 for the completion of his two year programme.

(c) Re-do fees

After the due completion of the master programme, students have to pay a sum of Rs.500/- per paper as re-do fee.

SUPPLEMENTARY EXAMINATION

Supplementary/Instant Examinations is conducted for the students appearing the final semester examinations of the PG degree course as per decision taken by the Syndicate.

Eligible criteria for appearing in the Supplementary/Instant Examinations

A candidate who is having only one paper in arrear in the current appearance of Fourth (Final) Semester Examinations of the PG Degree Programme is eligible to appear for the Supplementary/Instant Examination.

Not eligible for the Supplementary/Instant Examinations

A candidate who is having more than one arrear paper in the current appearance of Fourth Semester for PG Examinations is not eligible for appearing for the Supplementary/Instant Examinations.

If candidate is having arrear in any other semester and is absent in the current appearance is also not eligible for appearing in the Supplementary/Instant Examinations and also those Candidates who have arrear in Practical/Project are not eligible for the Supplementary/Instant Examinations.

Candidates who have completed their Programme duration but having arrears are not eligible to appear Supplementary/Instant Examinations.

Examination fee prescribed for the Supplementary/Instant examinations is as follows:

PG degrees – Rs. 385/- [Examination fee Rs. 300 + Cost of Application Rs.35 + Cost of Statement of Marks Rs.50]

MBA degree – Rs.635/- [Examination fee Rs. 550 + Cost of Application Rs.35 + Cost of Statement of marks Rs.50]”

13.2 IMPROVEMENT

There is a scope for improving the grades in papers after the due completion of Master program, by paying a penal fee of Rs. 5000/- and an examination fee of Rs.500/- per paper.

Improvement is allowed only for the end semester examination. Candidates who have passed in theory paper/papers are allowed to appear again for theory paper/papers only once in order to improve his/her marks, by paying the fee prescribed from time to time within a maximum period prescribed thereto 10 semesters counting from his/her first semester of his/her admission. If a candidate improve his/her marks, then his/her improved marks will be taken into consideration for the award of classification only. Such improved marks will not be counted does not show improvement in the marks, his/her previous marks will be taken into consideration.

13.3 GRADING SYSTEM

The term grading system indicates a Ten (10) points scale of evaluation of the performances of students in terms or marks, grade points, letter grade and Class.

13.3.1 The marks and the grades obtained in the courses corresponding to the best 81 credits including the best 60 Core credits, the best 21 credits for Electives will be taken into consideration in arriving at the CGPA in the programme (for Two Year Master Programme)

13.3.2 The marks and the grades obtained in the courses corresponding to the best 120 credits including the best 90 Core credits, the best 30 credits for will be taken into consideration in arriving at the CGPA in the subject (for Three year Masters Programme).

13.3.3 Soft skills are mandatory and a student is required to pass the same. The marks will not be considered for classification purpose.

CONVERSION OF MARKS TO GRADE POINTS AND LETTER GRADE

(Performance in a Paper/Course)

Range of marks	Grade points	Letter grade	Description
PG	PG	PG	PG
90 - 100	9.0-10.0	O	Outstanding
80 - 89	8.0 - 8.9	D+	Excellent
75 - 79	7.5 - 7.9	D	Distinction
70 -74	7.0 - 7.4	A+	Very Good
60 -69	6.0 - 6.9	A	Good
50 -59	5.0- 5.9	B	Average
ABSENT	0.0	AAA	ABSENT

PG: Post Graduate (also for PG Diploma) UG: Under - Graduate (also for Certificate / Diploma).

C_i = Credits earned for course i in any semester.

G_i = Grade Points obtained for course i any semester.

n refers to the semester in which such courses were credited.

FOR A SEMESTER:

$$\text{Grade Points Average [GPA]} = \frac{\sum_i C_i G_i}{\sum_i C_i}$$

GPA = $\frac{\text{Sum of the multiplication of grade points by the credits of the courses}}{\text{Sum of the credits of the courses (Passed) in a semester}}$

FOR THE ENTIRE PROGRAMME:

$$\text{Cumulative Grade Point Average (CGPA)} = \frac{\sum_n \sum_i C_{ni} G_{ni}}{\sum_n \sum_i C_{ni}}$$

CGPA = $\frac{\text{Sum of the multiplication of grade points by the credits of the entire Programme}}{\text{Sum of the credit of the courses of the entire programme}}$

OVERALL PERFORMANCE

CGPA	Grade	Classification Of Final Result
Masters/M.Phil	PG	Masters/M.Phil
9.5 - 10.0	O+	First Class - Exemplary *
9.0 and above but below 9.5	O	
8.5 and above but below 9.0	D++	First Class with Distinction *
8.0 and above but below 8.5	D+	
7.5 and above but below 8.0	D	
7.0 and above but below 7.5	A++	First Class
6.5 and above but below 7.0	A+	
6.0 and above but below 6.5	A	
5.5 and above but below 6.0	B+	Second Class
5.0 and above but below 5.5	B	

* *Applicable to candidates who have passed the courses prescribed for the programme in the first appearance as per the scheme of examination; otherwise they are eligible for classification only*

RANKING

The first two ranks to every Master programme will be decided on the basis of CGPA in the subjects 87 (core and elective courses only) passed in first attempt only. **If a candidate is arrear in any of the semester is not eligible for ranking.**

13.3.4 Core-wise Letter grades

The performance of a candidate in a course will be indicated in a letter grade whereas grade point will indicate the position of the candidate in that batch of candidates. A student is considered to have completed a course successfully and earned the prescribed credits if he/she secures a letter grade other than RA.

A letter grade RA in any course implies he/she has to Re-appear for the examination to complete the course.

13.3.5 The RA grade once awarded in the grade card of the student is not deleted even when he/she completes the course successfully later; the grade acquired later by the student will be indicated in the grade sheet of the subsequent semester in which the candidate has appeared for clearance of the arrears.

13.3.6 A student who secures RA grade in a core course has to pass it compulsorily. A candidate who does not pass a core course in the stipulated period (eight/ ten semesters as the case may be from the year of admission), he/she may be permitted to re-register for the same course or a substitute core course by paying the prescribed fee when it is offered next in consultation with the student advisor.

13.3.7 **If a student who secures RA grade in an elective wants to change the elective he/she has to register by paying the prescribed fee and attend the classes for that course when it is offered.**

13.3.8 Any candidate who falls short of the required number of credits for the award of the degree may be permitted to register, by paying the prescribed re-registration fee, for

the required number of courses (core or elective) when it is offered.

13.3.9 If a student secures RA grade in the Project Work /Dissertation, either he/she shall improve it and resubmit it if it involves only rewriting/incorporating the revisions suggested by the evaluators or the student can re-register by paying the prescribed re-registration fee and complete the same in the subsequent semesters.

13.3.10 GRADE CARD

The Grade Card issued at the end of the semester to each student will contain the following:

1. The marks obtained for each course registered in the semester
2. The credits earned for each course registered for that semester
3. The performance in each course indicated by the letter Grade
4. The Grade Point Average (GPA) of all the courses registered for that semester
5. The Cumulative Grade Point Average (CGPA), the class and grade of all the courses, after completing the programme.

14 TRANSPARENCY IN EVALUATION

14.1 The system of evaluation shall be transparent and students shall have the right to examine their scored answer scripts of sessional tests and the end semester examination and seek redressal, if need.

The teacher of a course shall give the attendance and performance sheets for Sessional Test I, [Core and Elective] Sessional Test II and End-Semester Examination and a consolidated mark and grade sheet in hard and soft copy (in the prescribed template software format) to the head of the department who in turn consolidates all such sheets pertaining to the programmes offered by the department.

The course faculty must forward the results of the Elective courses (both hard and soft copy) through the Head of the Department to the Dean (Academic)/CBCS Office on or before the last date prescribed by the University.

The Departmental Committee will pass the results of the core courses. Results of the first and second year students may be passed separately **in order to avoid delay in forwarding the results.**

The Head of the Department shall forward the soft and hard copy of the consolidated mark and grade sheets to the Dean/CBCS office **on or before the last date prescribed by the University.**

- 14.2 After finalization of results by the Departmental Committee for the core courses and elective courses the marks and letter grades and electives awarded to the students in each course shall be announced on the departmental notice board.
- 14.3 In case, any student feels aggrieved, he/she can contact the respective teacher for a second look at his/her performance within one week after departmental notification.
- 14.4 The aggrieved student must be shown his/her answer papers of the end semester examination by the teacher concerned and the signature of the student must be obtained.
If the teacher feels that the case is genuine, he/she can re-examine and forward the revised grade, if any, to the Dean (Academic) through the Head of the Department with justification for the revision. Revision should be done before the document reaches Dean/Controller of Examinations.
The Dean (Academic) with the permission of the Vice-Chancellor can call all records (Syllabus, question papers, attendance and answer scripts) of any course if there is any written or oral complaint for random check.
- 14.5 The Controller of Examinations will accept the recommendations of the Dean (Academic)/Departmental/Class Committee in respect of the Final Results and will publish the same and issue Grade Cards to the Students within 2-3 weeks after the receipt of the results.

15 POST-GRADUATE DIPLOMA/DIPLOMA/ CERTIFICATE PROGRAMMES

15.1 *The Process of Post Graduate Diploma/Diploma/ Certificate Programmes*

The procedures for the P.G. Diploma, Diploma and Certificate Programmes such as course registration etc will be similar to those applicable to the Master programme.

15.2 P. G. DIPLOMA PROGRAMMES

- i. Eligibility: A Graduate
- ii. P.G. Diploma programme may be offered as a full-time programme or as a part-time add-on programme. The number of credits for a P.G. Diploma programme shall be **36 credits**.
- iii. The courses prescribed for a P. G. Diploma programme may be fully independent of the courses for the Masters programme. Alternatively a Department may include some of the courses (core or electives) offered under the Masters programme in the P.G. Diploma programme. The Departmental/ School Committee shall decide on the exact structure and content of the P.G. Diploma programme conforming to the above broad structure.
- iv. The minimum duration of a PG. Diploma programme shall be 2 semesters (Full-time) or 3 or 4 semesters (Part-Time). The maximum period for completion is four semesters for Full-time programmes and six semesters

- for 3 or 4 semester programmes respectively counting from first semester.
- v. Passing minimum for Post Graduate Diploma programme shall be 50% of marks in each paper/course.

15.3 DIPLOMA PROGRAMMES

- i. A Diploma programme shall carry **18 credits** distributed as under Core Courses - 18 credits
- i. The minimum duration of a Diploma programme shall be one semester (full-time) or two semesters (Part-time). The maximum period for completion are two semesters for Full-time programmes and four semesters for Part-time programmes counting from first semester.
- iii. Passing minimum for Diploma programme shall be 40% of marks in each paper/course.

15.4 CERTIFICATE / SHORT-TERM CERTIFICATE PROGRAMMES

- i. Certificate programme shall carry **9 credits**.
- ii. The duration of a certificate programme shall be one semester (Part-time) or 10 weeks full-time. The maximum period for completion is two semesters counting from first semester.
- iii. Passing minimum for Certificate programme shall be 40% of marks in each paper/course.

The rules and regulations governing course registration, attendance and discipline of students and distribution of marks for Post Graduate Diploma / Diploma / Certificate Programmes shall be the same as for the Master Programme.

VIII. THE “UNIVERSITY OF MADRAS STUDENTS’ CONDUCT RULES”

1. TITLE AND COMMENCEMENT

- a. These rules may be called the University of Madras Students’ Conduct Rules”.
- b. These rules come into force on 1st July, 2005.

2. APPLICATION

These rules shall apply to every student of the University of Madras i.e. students on roll in the departments of the University and all its-affiliated institutions. However the affiliated Colleges/Institutions are required to adopt the rules in their respective governing bodies.

3. DEFINITIONS

- a. “University” means the University of Madras.
- b. “Head of the Department/Institutions” means the person in-charge of the Department in case of University Department and Principal in case of affiliated Colleges/Institutions in which the student concerned is undergoing the course.
- c. “Student” means any person undergoing any course in the institution including M.Phil and Ph.D.
- d. “Competent Authority” means

- *The Departmental Committee*
- *University Disciplinary Committee*
- *The Syndicate.*

4. STUDENT DECORUM

Every University student is encouraged and expected to evolve, as a responsible citizen with commitment to uphold the dignity and image of the department/ institution of the University in which he/she is undergoing the course.

5. DISCIPLINE

Every student is expected to behave with decorum and honesty by avoiding acts mentioned in clauses below that are considered as acts unbecoming of a student which are punishable as envisaged in student's conduct rules given in University calendar.

- a. Any form of ragging or eve-teasing
- b. Causing disturbance by noisy and unruly behaviour.
- c. Causing damages to the property of the University/Institution.
- d. Misbehavior in the Public transport system, causing damages to public properties, disrupting traffic or causing annoyance to the public in any form.
- e. Any kind of inducement to any employee of the University/institution expecting undue favour.
- f. Displaying any poster or distributing any pamphlet inside the campus of the University/ institution without the approval of the authorities.
- g. Sending petitions of complaints to outside individuals/ establishments without the approval of the authorities and without exhausting all the available redressal mechanism in the University.
- h. Any other conduct opposed to decency and public morals.

6. DRESS AND IDENTITY CARD

- a. Every student shall wear a decent dress.
- b. Every student should carry his/her identity card on person and it should be shown on demand to any teaching staff or security personnel.

7. USE OF ALCOHOL AND DRUGS

- a. Smoking in the campus is strictly forbidden.
- b. Possession and Consumption of alcohol and illicit drugs inside the premises of University/Institutions is prohibited.
- c. Students found inside the premises of University/Institutions in a state of intoxication are liable for punishment.

8. POLITICAL ACTIVITY

Political activity of any form inside the campuses is punishable.

9. DEMONSTRATIONS AND STRIKES

Students shall not

- a. Indulge in demonstrations and strikes.
- b. Participate in any form of intimidation, coercion or wrongful confinement or any violent activity which will prevent any student, employee or officer/authority of the institution from discharging their duties.

10. JOINING ASSOCIATIONS

Students **shall not join** or continue to be a member of any non- academic association or organization, the object or activities of which are prejudicial to the sovereignty and integrity of India, security of the State, or to public order, decency or morality or the interest of the University / Institution.

11. COLLECTION OF FUNDS

Students shall not raise any fund or make any collection in cash or kind without the prior consent of the authority.

12. CONNECTION WITH PRESS / RADIO / TELEVISION ANY OTHER MEDIA

Students are not permitted to give press/media release without the prior permission of the authorities.

13. PUNISHMENT AND DISCIPLINARY AUTHORITY

- a. No student shall be punished without giving him/her a reasonable opportunity of being heard by the authorities.
- b. Students violating the conduct rules are liable for punishment which includes censure, loosing attendance, debar from writing examinations, suspension from the class, imposition of fine, suspension from the University/institution, dismissal and rustication.
- c. The Departmental Committee of the University department/ college shall consider each case of violation of conduct rules and shall take suitable action through unanimous decision. The decision by the departmental committee will be final as far as minor punishments like censure etc. are concerned.
- d. If the act of violation is serious in nature or the decision is not unanimous, the Departmental Committee shall refer the case with its remarks for suitable action to the University Disciplinary Committee / College Disciplinary Committee.
- e. The University/College Disciplinary Committee shall be the competent authority to recommend to the authorities for imposing major punishments like suspension, dismissal and rustication.
- f. The composition of the University/College Disciplinary Committee is as follows:
 1. Dean (Students) -Convener
 2. Head of the respective Department
 3. Dean (Academic)
 4. One lady faculty representative nominated by the Vice Chancellor
 5. One SC/ST faculty representative nominated by the Vice Chancellor
 6. Director of the respective campus.

14. APPEAL / REVISION

The Departmental committee and the University/College Disciplinary Committee are empowered to review the punishment inflicted on a student. The delinquent student can prefer appeal or revision within a period of fifteen days from the date of communication of the order. While reviewing the Departmental Committee will include the Chairperson of the respective School and the University Disciplinary committee will include one more member nominated by the Vice-Chancellor / Principal, as a special invitee.

15. APPELLATE AUTHORITY

The Syndicate shall be the appellate authority for all student disciplinary matters. However, the student shall not appeal to the higher authorities/ Syndicate without first approaching the Departmental / University, disciplinary Committees for review.

The affiliated colleges shall have their own disciplinary committee of similar composition under intimation to the University.

IX. DO'S AND DON'TS UNDER CBCS SYSTEM

The minimum number of credits required for Two Year Master Program is 91 Credits and that of Three Year Program is 135 Credits. For a Two Year Program the 91 Credits are divided into 60 for Core, 21 for Elective and 10 for Soft Skills & Internship.

1. Core courses earmarked by the department are compulsory and students should necessarily take them.
2. Elective courses could be taken from within the Department / outside the Department / through Online in consultation with the Student Advisor of the Department. It has been observed that students are rushing to few specified departments and are taking three to four elective courses of no direct relevance, whereby the purpose of electives get defeated. There should be judicious choices of electives.
3. Students can take more than the prescribed limit of electives. However, best of electives to the tune of 21 credits alone will be considered for the calculation and classification.
4. It is mandatory for the students to take two Sessional Tests before writing the End Semester Examination as marks are based on continuous assessment. Abstention in Sessional test (one or both) will be marked as ABSENT in your mark statement, and the candidate has to redo the course after the completion of 2/3 years of study.
5. Soft Skills are like other Core and Elective papers with sessional and end semester examination. Students have to pass the Soft Skills necessarily but the marks will not be considered for Classification.
6. Internship has to be carried out by the student in an Organization and a report has to be submitted to the department for evaluation. The Department will evaluate and award marks and the corresponding letter grade for the Internship. Student has to pass in the Internship but like Soft Skills marks will not be considered for classification. The place, scope and type of pursuing Internship for 4 - 6 weeks on completion of first year and during the summer vacation could be done in consultation with the Student Advisor/ department faculty.

7. In case a student fails in a core/elective/soft skill paper by securing less than the prescribed minimum marks, he/she will be allowed to write at the end of the semester alone and marks obtained in sessional tests will be carried forward.
8. Redoing a complete course for betterment in the middle of the program is not permitted as it is not feasible to schedule the same.
9. Final Semester students will be allowed to appear for the arrear papers during July/August of every year, so as to help the outgoing students.
10. In each semester students have to register for all Core, Elective, Soft skills and Internship. Failure to register and payment of prescribed fee before the deadline could lead to non-inclusion of the same in the marks statement.
11. Ensure that the core, electives and soft skills as approved for the academic year 2022-2023 as given in the Handbook are registered.
12. Students are requested to contact the Student Advisor/Head of the Department pertaining to any confusion regarding the registration of courses.
13. Details pertaining to the grades, marks and conversion table are given on the back of the mark sheet.
14. The Candidates should choose the Elective papers as given in the Hand book of the respective academic years only. The Students need not choose the Senior or Junior batch subjects.
15. The Students can be permitted to withdraw the Elective/Soft Skill papers before the End Semester Examinations are conducted and the same may be informed to CBCS Section for further action.

X. SCHOOL WISE AND DEPARTMENT WISE PROGRAMMES AND COURSE LIST

SCHOOL OF HISTORICAL STUDIES

The School of Historical Studies consists of Department of Indian History and Department of Ancient History and Archaeology.

The University of Madras created the Department of Indian History and Archaeology as the first faculty of the University in 1914 and it was headed successively by eminent historians like Dr. S. Krishnaswamy Iyengar, Prof. K. A. Nilakanta Sastry and Prof. K. K. Pillay. The Department was bifurcated into Departments of Indian History and Ancient History and Archaeology in 1959. Dr. T. V. Mahalingam a renowned Archaeologist and Epigraphist was the first Professor of Ancient History and Archaeology.

The Department of Ancient History and Archaeology has special interests in Epigraphy and Numismatics, Tamil Culture and Field Archaeology. It offers Masters, M.Phil. and Ph.D. programmes.

The Department of Indian History specializes on Economic History and Urban Studies. It offers Masters, M.Phil. and Ph.D. programmes.

SCHOOL OF SOCIAL SCIENCES

The School of Social Sciences consists of departments of Anthropology, Psychology, Education, Adult and Continuing Education, Sociology Criminology, Counselling Psychology, Womens Studies and Social Work.

The Department of Psychology was instituted in 1943. In 1948 a full fledged Psychology department was established under the headship of Dr.G.D.Boaz. The department initially focused on children and their education. Later, in 1976, the department turned its attention to Criminology, Applied Psychology, Organizational Psychology and Counseling etc. The Department Library has a vast collection of 2153 books and 15 Journals. The department offers Post Graduate, M.Phil. and Ph.D. Programmes.

The department of Education was established in 1976, with Dr. E.G.Vedanayagam as Professor and Head. The department specializes in the fields of Management of Education, Curriculum Development, Special Education, Educational Cost Analysis, Work Education, Management of Organisations, Trade Unions, Industrial Employability of mentally retarded, Stress and Conflict Resolution in work environment. The department has an Educational Lab. The department offers Post Graduate, M.Phil. and Ph.D. Programmes.

The Department of Adult and Continuing Education was established in 1976 with Dr.R.Jayagopal as Professor and Head to concentrate on Non- formal Education and Population Education. The Department researches in the fields of Adult education, Population education, Industrial Training, Project evaluation and Human Skill Development etc. The consultancy by the Department exists in the areas of Industrial Project proposals, Feasibility and evaluation, Industrial/ organisation training, Population Education, Women studies, Computer oriented project monitoring and evaluation etc. The Department offers M.A. Human Resource Management (Regular& Self-

Supportive) and Life Long Learning, M.Phil. Programme in Human Resource Management and Life Long Learning, Ph.D. Programmes in Inter-disciplinary basis. From 2013-2014 the nomenclature of the department is changed as lifelong learning.

The Department of Sociology was established in 1976. Initially it was named as the Department of Social Science and Dr. K.K.Pillai, Professor of History was in-charge of the Department. The Department had to its credit the services of Fulbright Prof. Edwin Driver, Prof. Himes, Prof. Krosowisky and Prof. Washburne in the beginning. Prof. Driver instituted in 1966 M.A., Social science with inter-disciplinary orientation. In 1971, Dr.C.A. Permul, Professor and Head of the Department of Politics and Public Administration was in charge of the Department. In 1976, a separate Department of Sociology was started. The main areas of research are as follows: 1. Urban Sociology, 2. Medical Sociology, 3. Gender Studies, 4. Water Management, 5. Industrial Sociology, 6.Rural Sociology and Rural Development, 7. Environmental Studies, 8. Sociology of Development. The department offers consultancy on 1. Development and Displacement, 2. Integration of Sociology in Irrigation Management Education, 3. Irrigation Management,4. Rural Environment. The department offers Post Graduate and Ph.D. Programmes.

The Department of Anthropology was established in October 1945. The Certificate and Diploma courses in Anthropology were commenced in July 1947 and research programmes in July 1950. The department of Anthropology concentrates on Tribal Studies, Political Anthropology, Economic Anthropology, Physical Anthropology, Archaeological Anthropology, Folklore etc. It has a Computer Laboratory to do researches on quantitative understanding of social problems. In 1976 the department commenced Post Graduate, M.Phil., and Doctoral programmes. Now the department offers Post Graduate and Doctoral programmes.

The Department of Criminology was established in the year 1983. At the conference of the Inspectors' General of Police in 1959, a Diploma in Criminology at the University of Madras was mooted and it was instituted in October 1960. The Psychology department conducted diploma courses in Criminology in the beginning. Since April 1983, the Department of Criminology became separate and independent. The Department of Criminology focuses upon Victimology, Criminal Justice Administration, Human Rights, Juvenile Justice, Correctional Research, Crime Prevention etc. The department has Computer Laboratory facilities. The department offers Diploma, Post Graduate and Ph.D. Programmes.

The Department of Counselling Psychology was established in the year 2016 as a fully fledged department under the leadership of Prof. S. Thenmozhi. The department offers Post Graduate, M.Phil. and Ph.D programs along with 1 P.G. Diploma course in Counselling and Psychotherapy and 2 Diploma courses on Learning Disability and Autism Spectrum Disorder in Self Supportive mode. The department focuses on specialization in Counselling and Psychotherapy with internships in every semester to provide a field experience along with theoretical understanding. The Department has conducted a research project "Psycho and Music Therapy" funded by UGC-UPE II and various programs have been conducted by National and International speakers to inculcate the professional development for the students.

Name of the Chairperson

Dr. R. Panchalan, Ph.D

Chairperson

List of Faculties in the School of Social Sciences

Department of Psychology

Dr. T. Lavanya Ph.D

Professor & Head

Dr . S. Sasikala Ph.D

Assistant Professor

SCHOOL OF POLITICAL AND INTERNATIONAL STUDIES

The School of Political and International Studies consists of Anna Centre for Public Affairs, Department of Politics and Public Administration, Department of Defence and Strategic Studies, Centre for South and Southeast Asian Studies and Department of Legal Studies.

In October 1934 a proposal for starting the Department of Politics and Public Administration was mooted and in July 1937, a Diploma course in Politics and Public Administration was started. The B.A. (Hons.) and B.A.(Pass) courses were started in 1936 and 1939 respectively. The Department has M.A. (Political Science), M.A. (Public Administration), M.A. (International Relations), M.Phil (Political Science), M.Phil. (Public Administration), M.Phil. (International Relations) and Ph.D Programmes. The Department has a Computer Laboratory.

The Department of Legal Studies was founded in August 1951 with Professor C.H. Alexandrowicz as its Head. The Department specializes in International Law and Constitutional Law. It started Grotian Society for conducting historical research in International Law and publishes the Indian Yearbook of International Affairs. The Department now offers M.L. and Ph.D Programmes. The department has a special collection of books on International and Constitutional Law.

SCHOOL OF ECONOMICS

The School of Economics consists of Departments of Economics, Econometrics, and Dr. Ambedkar Centre for Economic Studies.

In 1912, the Government of India gave a special grant for the establishment of Department of Indian Economics. In 1915, the University appointed Dr. Gilbert Slater, Principal, Ruskin College, and Oxford to the University Chair of Indian Economics. Since then the department of Indian Economics has grown enormously because of the works of several eminent Professors of Economics.

The Department of Economics was bifurcated into the Departments of Economics and Econometrics in July 1980.

SCHOOL OF INFORMATION AND COMMUNICATION STUDIES

DEPARTMENT OF LIBRARY AND INFORMATION SCIENCE

The Department takes great pride to be the first LIS School to be initiated by the Father of Library Science in India Padma Shri Dr. S.R. Ranganathan, himself. A full-fledged teaching Department was established in 1956. Consequently the Sarada Ranganathan Endowment Chair was created in 1959. In 1976, the Masters Programme in Library Science was started. The advancements in the LIS field led to the change in nomenclature to 'Library and Information Science' in 1980. Subsequently the Department was also renamed as Library and Information Science offering MLIS degree. At the same time the Doctoral Programme was also introduced on both full-time and part-time basis. Since then there have been more than 50 candidates who have been awarded. In the year 1988, the One year BLIS and One year MLIS programme were transformed into an Integrated Two year Programme. In 1996, UGC recognised this Department under its Special Assistance Programme (SAP), thus becoming the first Department in this field to be accorded with this Status in the country. The Department completed SAP Phase – III in 2012. The thrust areas include Computer Applications

in Information Storage and Retrieval, Design and Development of Multilingual Databases, Multimedia, E-Publishing, Infometrics, Digitization and Automation of Libraries and Information Centres. All of this paved way for the Department to be brought under the faculty of Sciences and in 1993 for the first time in India, M.Sc Library and Information Science was introduced at the Department. In accordance with the UGC recommendation regarding the uniformity in nomenclature of the PG in Library & Information Science at the national level, the nomenclature of the degree was changed to as M.Lib.I.Sc. (Master of Library and Information Science) in 2015.

The Department is equipped with a computer laboratory and a well stocked library which are extensively utilised by the students and scholars of the Department. The Department has excellent infrastructure in terms of LCD projector equipped classrooms and other electronic equipment paving way for an enhanced learning, teaching and research environment. The Department has tie ups with some of the best institutions where our students undertake internships.

Department of Journalism and Communication

One of the first journalism programme in Asia (outside Japan) was started by the University of Madras in 1947. The Dept. has a strong tradition in Journalism Education and has been the pioneer in the introduction of Bachelors, Masters, M.Phil and Ph.D programmes for the first time in Tamil Nadu/South India. *Certificate in Journalism (1947-1975)*, *Bachelor of Journalism (BJ) (1975-1979)*, *MA Journalism and Communication 1979*, *MPhil Journalism and Communication 1982*, *PhD Journalism and Communication 1982*, *M.Sc Electronic Media 2005 (self-supported) -discontinued in 2011*, *MJ (Masters in Journalism) Online Media (self-supported) -discontinued in 2023*. The Dept. focuses on activities and field work based learning (three student groups work in the areas of Urban Affairs Reporting with a focus on slums in Chennai, Visual anthropology and Theatre and folk arts. The student members undertake regular field visits and submit reports. These activities are meant to expose them to issues of social realities as well as interdisciplinarity. 24/7 Class Room on Facebook has been successfully implemented for subjects such as film studies and Tamil journalism. Since 2008, the Dept. has been tapping the MoUs and its network of foreign contacts to have collaborative workshops, training programmes and internship programmes. At present, the Dept. has *MoUs with Hallym University, South Korea; Aalborg University, Denmark; University of Jaffna, Srilanka and Nanzan University, Japan*. The Dept. launched the *Media and Society Seminar Series* during 2008- 2009 to conduct skills based workshops and seminars *every month* focusing on extended class room learning, research and community linkages. Nearly 30 seminars have been conducted so far with the support of internationally renowned scholars from different disciplines and experts from India. The *Department's Experimental Theatre Group Muttram* was inaugurated to promote group communication skills, acting skills. Script writing skills, cultural and communication competencies among communication students even as it seeks to promote the folk and theatre arts of Tamil Nadu.

SCHOOL OF PHILOSOPHY AND RELIGIOUS THOUGHT

The School of Philosophy and Religious Thought comprises of the departments of Philosophy, Saiva Siddhantha, Vaishnavism, Jainology and Christian Studies.

The department of Indian Philosophy was started in 1957 for promoting South Indian Philosophical thought. Prof. S.S.Suryanarayana Sastri and Prof.T.M.P.Mahadevan have rendered exemplary services in the department to make it Dr.S.Radhakrishnan Centre for Advanced Study in Indian Philosophy in 1964. Currently the department offers Masters, M.Phil., Ph.D. and P.G. Diploma Programmes.

PRTC 493	SaivaEthics	C	3

SCHOOL OF FINE AND PERFORMING ARTS

On 19th May 1932, the Registrar of the University issued a notice announcing the starting of a Department of Indian Music. Hitherto music was taught only in Queen Mary’s College, an affiliated college of the University, conducting the B.A. degree course in the subject. A one-year course leading to a Diploma was instituted. Along with the Diploma course, admission to Research also started.

Thiru K. Varadachariar, the great musician, respectfully and popularly called “Tiger”, was the first lecturer and Head of the Department. With the help of two teaching assistants he conducted the classes in Vocal, Vina and Violin and also guided Research students. Eminent scholars like Thiru M.S.Ramaswami Ayyar and Thiru P.Sambamoorthi were invited to give lectures to students on The History and Theory of Music, respectively.

The establishment of the Department was hailed in music circles all over India and very soon enquiries about the course came pouring in even from as far a place as Rajkot. The diploma course was soon intensified and made into a two-year course from August 1937. Two years later the University also introduced an Oriental title course, Sangita Sironmani, though the department as such did not offer the course. Enrolment of Students for research leading to the M.Litt. degree was also started and in 1940 the first M.Litt: degree was awarded.

In the late forties, Indian Music was introduced in Stella Maris College, Madras, also. In late fifties, M.A. course was commenced there with its students coming to the Department for the Inter-Collegiate classes. Gradually enrolment for Ph.D. degree also commenced in the department.

During the twenty-five years, i.e., from 1937 to 1961, Thiru P. Sambamoorthy was the Head of the Department, initially as a Lecturer and later from 1952 as a Reader. This period witnessed all round activity in teaching, performance and research. Dr. T. Vishwanathan and Dr. Miss Isaac followed him as the Heads of the Department. In 1975, Dr. Miss S. Seetha, Lecturer, took over charge and became a Reader and in quick succession was appointed the first Professor. In 1991, Dr. M.B. Vedavalli succeeded her and in 1995 Dr. N.Ramanathan took over the position as the Head of the Department. In 1998 when the departments in the University were classified under Schools the Department was placed under the School of Fine and Performing Arts of which Dr. N.Ramanathan was the Chairperson until 2002-2003. Dr. M. Premeela was appointed as Professor and Head of the Department and Chairperson from 2003, She belongs to the First batch of the M.A, degree course in Indian Music instituted in the Department in the year 1976.

The M.A. teaching, which had been suspended in colleges was revised and started in the Department in 1976. With this there was a spurt in teaching and research and other cultural activity. Soon a long-time grievance—that there existed no facility for men candidates to do B.A. degree course in music in Madras University also got redressed. In 1982, the B.A. degree course in Indian Music began to be conducted in the Department. This course was later adopted in the B.A. correspondence stream by the Institute of Correspondence Education. This course was, in 1987,

introduced in the Open University System also. In 1986, the M.Phil course was commenced. In 1998, the University adopted the Credit Based Semester System under which the Curriculum in the Department was re-organised.

In the year 2003-2004, the Department under the Industrial Consultancy Programme of the UICIC of the University of Madras, has introduced the Three Months Certificate Programme in Understanding Music and Dance Music (Bharathanatyam).

In the year 2004-2005, the Department of Indian Music, has introduced the M.A. degree course in Bharathanatyam under the Choice Based Credit System under Self-Supportive Mode.

From the year 2004-2006, Six month Certificate Courses in (i) Karnatic Music, (ii) Hindustani Music, (iii) Harikatha and Bhajana and (iv) Western Music, have been introduced under the Industrial Consultancy Programme of the UICIC.

In the year 2006-2007, the Department of Indian Music, has introduced the M.A. degree course in Rhythmology and M.A. degree course in Folk Music under the Choice Based Credit System.

Currently the Department has more than 5000 books and 1000 published Audio Cassette tapes covering South Indian, North Indian and Other systems of World Music. Also books on Dance, Drama, Culture and History are available. Over 1500 prominent Indian and Foreign Journals facilitate serious research work. The Department also has photocopies and microfilms of Manuscripts. Audio-visual equipments, music discs, Audio-video tapes, Television, Projector, Cameras along with Musical Instruments and Computer with Music software in CD-ROMs for deeper and wide understanding of Indian Music.

SCHOOL OF ENGLISH AND FOREIGN LANGUAGES

The School of English and Foreign Languages consists of two Departments : English and French and other Foreign Languages.

The Department of English was established in 1969 and it started specializing in Literary Criticism, Commonwealth Literature, American Literature and English Language teaching. In the last decade it has moved into Postcolonial and Culture Studies. Gender, Theatre, Translation, Dalit, Australian and Canadian Studies have become Core Courses. English for corporate communication, Technical writing are the thrust areas in electives.

The Indian High Commission in London first proposed the creation of French and German Departments in the University of Madras. In 1928, French was taught in the intermediate and Bachelors courses. In 1983, a full-fledged Department of French came into being offering M.A, M.Phil and Ph.D programmes in French as well as certificate and Diploma courses in French, German and Italian. In 2010, the Department of French was renamed as Department of French and Other Foreign Languages and now also offers elective courses in French, German, Italian, Russian and Spanish. Our fields of specialization are Teaching of French as a Foreign Language, Quebec studies, Comparative Literature and Translation.

BUS C262	Forex Management	5
BUS C263	Global Trade Logistics and Supply Chain Management	4
BUS C264	Export – Import Procedures and Documentation	5

SCHOOL OF MATHEMATICS, STATISTICS AND COMPUTER SCIENCE

Mathematics, Statistics and Computer Science together constitute a school with wide scope for interaction aiming at excellence in fundamental research and applications.

The University of Madras is known for its nurturing the genius Srinivasa Ramanujan, the great mathematical luminary whose mathematics is engaging the attention of leading mathematicians even today for its profoundness and applications. The University Department of Mathematics was created in 1927. The Ramanujan Institute of Mathematics, founded by Dr.Rm.Alagappa Chettiar came into existence in 1957. In 1967, with the assistance from UGC it become a Centre of Advanced Study in Mathematics merging the two units. This centre is now known as the Ramanujan Institute for Advanced Study in Mathematics (RIASM), The RIASM offers Masters, M.Phil. and Ph.D. programmes.

An independent Department of Statistics started functioning in 1941 and became a full fledged department of study and research from 1975 under the leadership of Prof. K.N.Venkataraman. The department offers Masters, M.Phil. and Ph.D. programmes. The department also offers M.Sc. Actuarial Science programme under UGC Innovative programme. The Department is DST-FIST sponsored.

Study of Computer Science in the University began in 1984. An independent department was instituted in 1987. The Department of Computer Science concentrates research in the areas of Algorithms, Artificial Neural Networks, Image Processing and Data Mining. It has a well equipped Computer Laboratory. The department currently offers Master of Computer Applications, M.Phil. Computer Science and Ph.D. programmes

DEPARTMENT OF NETWORK SYSTEMS AND INFORMATION TECHNOLOGY

This Department was established by University Grants Commission in the year 2014. From the academic year 2019-20, the department has been offering M.Sc. Information Technology with specialization in Network Systems course (Self-Supportive). The number of students admitted for the M.Sc. Course is 20. The department also offers M.Phil. (2015-2016 onwards) and Ph.D. Programs (from July 2014). This department is currently engaging with R & D activities in the areas of

Advanced Communication Technology, Wireless Network security and Wireless Sensor Networks, Telemetry applications etc.

Faculty

Dr. M. Pitchaimani, Ph.D Chairperson

RIAS in Mathematics

Dr. M. Pitchaimani, Ph.D	Associate Professor & Director i/c
Dr. C. Uma Maheswari, Ph.D	Assistant Professor
Dr. K. Jeganathan Ph.D	Assistant Professor
Ms. R. Ezhilarasi	Assistant Professor
Dr. A. Tamilselvi, Ph.D	Assistant Professor
Dr. K. Kaliraj, Ph.D	Assistant Professor
Dr. R. Parthasarathy, Ph.D	Assistant Professor

Department of Statistics

Dr. M.R. Sindhumol	Associate Professor & Head i/c
Dr. M. Ramadurai, Ph.D	Assistant Professor
Dr. S. Suresh	Assistant Professor

Department of Computer Science

Dr. S. Gopinathan, Ph.D	Professor and Head
Dr. P.L. Chitra, Ph.D	Professor
Dr. M. Sornam, Ph.D	Professor
Dr. B. Lavanya, Ph.D	Associate Professor

Department of Network Systems and Information Technology

Dr. PL. Chithra, Ph.D. Profoessor & Head i/c

RAMANUJAN INSTITUTE FOR ADVANCED STUDY IN MATHEMATICS

SCHOOL OF TAMIL AND OTHER DRAVIDIAN LANGUAGES

The School of Tamil and Dravidian Languages Consists of Departments of Tamil Literature, Tamil Language, Chair on Christian Tamil Literature, and Departments of Telugu, Kannada and Malayalam.

The Department of Comparative Philology, Oriental Research Institute (ORI), University of Madras first began researches in Tamil in 1914. In 1927, a separate Tamil department was established in the Institute. In 1930 the Tamil department was further expanded. The Tamil department specialized in Classical Tamil Literature, Folklore, Thirukkural Studies and Comparative Grammar. It published the much reputed annals of Oriental Research and Tamil dictionary. The department of Tamil was bifurcated into departments of Tamil Literature and Tamil Language in 1980-81.

Since 1981, the department of Tamil Literature specializes in Literary Studies, Grammar, Linguistics, Folklore, Translation, Mass media and Comparative Literature to evolve a holistic study of Tamil Culture. The department of Tamil Literature offers Masters, and Ph.D. Programmes. Thirukkural Research Unit (TRU) of the Tamilnadu Government Endowment Scheme is also functioning under the aegis, of this department. The Department offers a Post Graduate Diploma courses in Manuscriptology and Editing, Folkloristics and Mass Media & Inscriptions and Culture.

The department of Tamil Language specializes in the fields of Lexicography, Grammar, Translation, Stylistics, Discourse analysis (Linguistics, Literary Criticism, and Publishing. It offers Masters, M.Phil. and Ph.D. Programmes.

In 1984, a Chair on Christian Tamil Literature was instituted by the Government of Tamil Nadu and this Chair specializes on the contributions of Christians to Tamilology. This Chair offer M.Phil. and Ph.D. Programmes.

The unit of Telugu Studies was created in ORI in 1914 and it became full fledged department in 1927. When it was reorganized in 1930, the focus of the department was shifted to social and cultural dimensions of Telugu Literature, Comparative Literature and Folklore. The department of Telugu offers Masters, M.Phil. and Ph.D. Programmes.

The unit of Kannada Studies was also started in 1927 in ORI with A.Venkata Rao as its head. In 1930, the department was expanded and began to give attention to Literary Criticism, Kannada Culture and Comparative Grammar. The department offers Masters, M.Phil. and Ph.D. Certificate and Diploma Programmes.

The unit of Malayalam Studies was established in the ORI in 1927 under the headship of C.Achutha Menon. The department studies social and cultural dimensions of Malayalam Language and Literature. The department offers Masters, M.Phil. and Ph.D. Programmes.

SCHOOL OF SANSKRIT AND OTHER INDIAN LANGUAGES

The Oriental Faculty of Comparative Philology with special reference to Arabic, Persian and Sanskrit was organized in the University under the headship of Dr. Mark Collins in 1914. The department was reorganized during 1927-30, to include Dravidian and Islamic Languages. The Sanskrit unit since then made huge strides in research and publishing in various aspects of Sanskrit Studies and in Sanskrit Catalogues Catalogorum. Now, the Department of Sanskrit offers Masters, M.Phil. and Ph.D. Programmes.

The Madras University started the Department of Hindi in April 1952 to make comparative studies between Hindi and other Indian Languages. The Department of Hindi offers Masters, M.Phil. and Ph.D. Programmes.

Arabic, Persian and Urdu department was started during the reorganization of the oriental faculty during 1930. The aim of Arabic, Persian and Urdu department was to redeem from obscurity the early literary works of outstanding merit in these languages. The Department now offers Masters, M.Phil. and Ph.D. programmes in Arabic and Urdu languages.

Faculty

Dr. Chitti Annapurna, Ph.D

Chairperson

Department of Sanskrit

Dr. C. Murugan Ph.D

Associate Professor & Head i/c

SCHOOL OF EARTH AND ATMOSPHERIC SCIENCES

The School of Earth and Atmospheric Sciences (SEAS) comprises of three Departments namely Geology, Applied Geology, and Geography.

The Department of Geology was established in 1952. The Department of Geology was recognized by the University Grants Commission (UGC), which awarded Special Assistance Programme under DRS Level - I for the period 1994 to 1999. The Department was subsequently awarded Special Assistance Programme (Phase -II) by UGC was sanctioned Rs.30.2 lakhs for the period 2000 to 2005. As the Department had executed various multi- research and academic programmes most effectively, the UGC further awarded the COSIST (ASIST) Program (Phase -I) to the Department and sanctioned Rs.68 lakhs for Research and Developmental Programmes for the period 2001 to 2006.

The Department is also sponsored by DST through FIST Programme for 5 years from 2002 to 2007 and was sanctioned an amount of Rs.60 lakhs for Infrastructural Development.

The Department has been awarded DSA by University Grants Commission (UGC) and sanctioned an amount of Rs.56 lakhs for Research and Developmental Programmes for the period 2007 to 2012.

TEACHING & RESEARCH ACTIVITIES

The Department of Geology is pursuing research in the fields of Micropaleontology, Igneous and Metamorphic Petrology, Sedimentology, Sedimentary Petrology, Marine Geochemistry and Ecology, Hydrogeology and Geology. The Department has also been sanctioned several research projects for its faculty from various funding agencies like UGC, DST, MOES, CSIR, INCOIS, etc.

The Department offers a two year (Four semesters) M.Sc Geology Programme and one year (Two Semester) M.Phil. Geology Programme. The Department also offers Full-time and Part-time Research Programmes leading to Ph.D. Degree in different specialized fields of Geology. The Department has produced a number of Ph.D. Degrees and the alumni of this Department are occupying eminent positions in National and International Universities, Institutes and Research organizations.

Recognizing the extensive consultancy potential of the Faculty of the Department, Organisations such as ONGC, Hardy Exploration and Production Inc & TAMIN have utilized the services of the Department through University Industry Community Interaction Cell (UICIC) of University of Madras. It is of immense delight that various International Research institutes are coming forward and approaching us for collaboration.

The Department of Applied Geology was established in the University of Madras in 1952 and has been functioning in the Maraimalai Campus. During the last six decades, the Department has made significant strides in academics and research. The Department has supervised more than 70 Ph.Ds, 10 M.Phils. and about 600 M.Sc. scholars and students in Applied Geology. Part-time Research scholars are from the following organizations: Public Works Department, Institute of Remote Sensing, Central Ground Water Board, Tamil Nadu Water Supply and Drainage Board, Tata Consultancy Services, Cognizant Techniques & Solutions, Hi-tech Diagnostic, Department of Geology and Mining, Institute of Water Studies, Tamil Nadu Minerals Limited, Neyveli Lignite Corporation Limited, National Remote Sensing Agency (NRSA, Hyderabad) and Zylog Systems.

The Department has the facilities and infrastructure for carrying out petrological, sedimentological, micropaleontological, environmental geochemistry, groundwater targeting and contamination, hydrogeological, geophysical, oceanographic, paleoceanographic, paleoclimatic, geomorphological and coastal environmental investigations. The Department offers consultancy services for: (a) Delineation of potential zones of groundwater and groundwater assessment, well design and construction, demarcation of salt water-fresh water interface and river basin studies (b) Ore reserve estimation and preparation of thin sections of minerals, rocks, fossils, and polished ores (c) Geological and geophysical investigations for civil engineering problems (d) Granite quality studies (e) Groundwater analysis (f) Rock, mineral and ore analysis (g) Environmental Impact Analysis, pollution studies (h) Processing and interpretation of geological/geophysical, geochemical and hydrogeological data and mathematical modeling and (i) Remote sensing and GIS applications to geological and environmental studies including integrated coastal zone management (ICZM) (j) Paleoenvironmental and tsunami modeling. Atomic Absorption Spectroscopic (AAS) instrument for heavy metal analysis facility is available in our Department. The Geological Museum of the Department is a treasure house for collections of rocks, minerals, fossils, etc. and has been visited by several schools in the city.

The Department of Geography at the Madras University is one of the oldest Departments in this country and celebrated its Golden Jubilee in the year 1983. The academic efforts received a great fillip in 1976 when the faculty was strengthened and new courses for M.Sc. Applied Geography was introduced. The department has periodically updated the curriculum.

The Department currently has academic programmes for M.Sc. and Ph.D. Degrees. The M.Sc. Applied Geography Programme is a very specialised one with heavy inputs on applied aspects of the discipline especially GIS, EIA and Remote Sensing. The success of the training imparted to the students is reflected in their ready absorption in jobs and in specialized programmer. From the academic year 2000-2001 onwards a new need based industry oriented programme viz. M.Sc. Spatial information Technology is offered in addition to the existing course. This course is to promote GIS technology and mapping science in our country. PG Diploma in GIS Management is yet another need based course offered as University - Industry and Community Interaction Centre (UICIC) programme. It is offered as an evening programme from the academic year 1999-2000 onwards. The Ph.D. programme is a specialised one with emphasis on socially relevant research such as agricultural and rural geography, watershed management, integrated area of planning marketing geography, urban and metropolitan problems, quantitative and spatial analysis in geography, social and area analysis, health care delivery systems and environmental problems.

The department is collaborating with the Botany, Zoology and Geology Departments in conducting inter-disciplinary courses. The courses are often designed in collaboration with the Statistics and Computer Science departments.

The Department has been assisting the State Planning Department, Ground Water Department of Tamil Nadu, Water Institute of Government of Tamil Nadu and Institute of Remote Sensing (Anna University) in research programmes and has developed good academic contacts with ISRO, Bangalore; NRSA, Hyderabad; Survey of India, Hyderabad Land and Survey Records of Tamil Nadu, Town and Country Planning of The Government of Tamil Nadu and CMDA, Chennai to name a few.

The Department has also been alive towards strengthening the teaching of geography in the affiliated colleges and to that end, has been organizing Refresher courses, Workshops and Curriculum Development Programmes.

SCHOOL OF CHEMICAL SCIENCES

The School of Chemical Sciences comprises of Departments of Analytical Chemistry, Inorganic Chemistry, Organic Chemistry, Physical Chemistry, Polymer Science and Energy. These departments were established in 1960, 1975, 1950, 1952 and 1983 respectively.

School of Chemical Sciences, University of Madras was established in 1973 when M.Phil Course common to Organic, Inorganic and Physical Chemistry was introduced. The Master of Science programme was introduced in 1976 wherein the first year students undergo a common chemistry programme and the students specialize in one of the areas of Chemistry in the second year: Physical Chemistry, Organic Chemistry and Inorganic Chemistry. Since 1987, the department of Analytical Chemistry also joined the School of Chemical Sciences and the teaching programme is conducted by admitting the students in all the four branches based on the performance of the students in the entrance examination.

In the School of Chemical Sciences teaching program is jointly organized by four departments, viz., Analytical Chemistry, Inorganic Chemistry, Organic Chemistry and Physical Chemistry. From the academic year 1975-76 the departments are conducting M.Sc & M.Phil. The Chairperson, School of Chemical Sciences coordinates the academic programme. The students of School of Chemical Sciences have been performing very well in the competitive examinations and are working in prestigious institutions in India and abroad.

The Department of Analytical chemistry was established in the 1960 as a research department under University of Madras. It is one of the unique departments in our country offering M.Sc. and Ph.D programs in Analytical Chemistry. Currently the department is awarded with UGC-SAP DRS-I program for thrust area of graphene related research. The Department is actively involved in research since its inception and has produced over 90 Ph.D scholars and numerous post-graduates and M.Phil students. The alumni of this department are rendering their services to premier academic institutions and industries across the world. The department specializes in the areas of Electrochemistry, Spectroscopy, Chemical Sensors, Catalysis, Coatings, Electroplating, Drug delivery systems, Biomineralization, Gas Sensors, Corrosion studies and Graphene based nanobiomaterials. The sophisticated instruments available in the department include UV- Vis Spectrophotometers, HPLC, FTIR, AAS, Chromatography, Ultrasonicator, Polishing machine, Nephelometer, Fluorometer, pH meter, Flame photometer, conductivity meter, Electrochemical workstations, Quartz crystal microbalance, Contact angle meter, Optical microscope with image analyser polarograph, Gas Chromatograph, Ion-analyzer, Corrosion monitoring system, Polishing Machine and Refractometer besides a Computation laboratory. The department regularly organizes National and International

Conferences and Workshops, Seminars, Guest Lectures, Summer Internship for PG students and Camp for school students.

The Department of Inorganic Chemistry concentrates on research work in photochemistry, Coordination chemistry, bioinorganic chemistry, catalysis (chemosensors, nanomaterials, polymers) and laser chemistry. The facilities in the Department include spectrophotometers, fluorimeters, photochemical, electrochemical systems, flash photolysis spectrometer, Nd-YAG pumped laser flash photolysis spectrometer, excimer laser, time-correlated Single Photon Counting spectrometer, IR, UV-Visible, esr, gas chromatograph, cyclic voltammeter and pulse polarograph.

The Department of Organic Chemistry specializes in the fields of synthesis of heterocyclic compounds of pharmacological interest, (supramolecular chemistry and synthesis of organic nanomaterials), asymmetric synthesis, bio- organic and carbohydrate chemistry. The facilities of the department include (Bruker 300 MHZ NMR and mass spectrometer, UV-vis spectrophotometer, FT IR, C,H,N elemental analyzer, GC, HPLC and Polarimeter. The staff of this department offer consultancy services in the synthesis of various types of industrially important organic compounds and structure solving assistance through spectra.

The department of Physical Chemistry specializes in homo- and hetero - multisite catalysts, triphase catalysis, synthesis, characterization and kinetics of polymerization, model enzyme reactions, electrocatalysis by metal complexes, electron transfer reactions, electrochemical studies on copper-halide interactions, ion-selective electrodes, SANS study of microemulsions, polymerization and oxidation reactions in microemulsion, synthesis, characterization and catalytic activity of anionic clays, sorption studies of surfactants on polymeric surfaces, electroanalytical oxygen evolution at oxide electrodes as in photo assisted splitting of water. Development of polymer-modified catalytic electrodes for detection of neurotransmitter enzymeless biosensors etc. The facilities of the department include gas chromatography Varian 3700 with data system (VISTA401), UV-visible SPECORD and TECHCOMP spectrophotometers, PAR-Cyclic voltammetric, spectrofluorimeter-AMINCO, FIBRE -SPINNING equipment, FTIR and GC-MS equipments, etc. The Department offers consultancy in areas like synthesis and characterization of polymers, environmental studies involving fluorosis, polymer-drug interactions, preparation and application of catalysts, development and applications of ion selective electrodes, polymer supported reagents, enzyme models, electrocatalysis, anionic clays, micro emulsions and enzymeless biosensors.

The Department of Physical Chemistry was established 1952 with specialized in research areas like homo- and hetero- multisite catalysts, triphase catalysis, synthesis, characterization and kinetics of polymerization, model enzyme reactions, electrocatalysis by meta complexes, electron transfer reactions, electrochemical studies on copper-halide interactions, ion-selective electrodes, SANS study of microemulsions, polymerization and oxidation reactions in microemulsion, synthesis, characterization and catalytic activity of anionic clays, sorption studies of surfactants on polymeric surfaces, electroanalytical oxygen evolution at oxide electrodes as in photo assisted splitting of water, development of polymer-modified catalytic electrodes for detection of neurotransmitter enzymeless biosensors etc., The current facilities of the department includes gas chromatography Varian 3700 with data system (VISTA401), UV-visible SPECORD, TECHCOMP and UHI5300 spectrophotometers, Cyclic Voltammetric - PARSTAT 3000, CHI Instruments, Spectrofluorimeter- AMINCO, FIBRE – SPINNING equipment, FTIR AND GC-MS equipments, etc. Intention to offer Ph.D, M.Phil. and M.Sc courses in Physical Chemistry and thereby to generate potential human for teaching and research. Generally, we pay attention to conduct the research for the development of products through outstanding research that in turn useful to society in common. Furthermore, the department offers consultancy in areas like synthesis and characterizations of polymer, environmental studies involving fluorosis, polymer-drug interactions, preparation and application of catalysts, development and applications of ion selective electrodes, polymer supported reagents, enzyme models, electrocatalysis, anionic clays, microemulsions and enzymeless biosensors.

The intense specialization of the department on polymers has resulted in the creation of Department of Polymer Science in 1983. Keen research of this department pertains to synthesis of dendritic and hyper-branched polymers, Ziegler-Natta Polymerization, polyurethanes, polymer chemistry, modification of polymers, synthesis and characterization of new polymers and biopolymers. The sophisticated instrumental facilities and equipments of the department are: UV-Vis spectrophotometer, FT-IR spectrophotometer, computers, tensile testing machine, etc. The consultancy potential of the department exists in the areas of polyurethanes, polymer synthesis, polymer composites and metal containing Polymers.

The Department of Energy was established in 1983 to provide a knowledge base for the ever increasing energy needs and information on conventional and non-conventional energy sources and better utilization and conservation of the existing energy sources. The Department of energy is actively involved in research areas such as photocatalysis in presence of radiation matching the solar spectrum, fast reactions, visible light-assisted photoelectrochemistry, direct conversion of solar energy into photopotential and electricity, hydrogen fuel production from water and aqueous solutions, solid electrolytes and solid state batteries. The facilities of the department include UV and visible continuous photolysis setup, stopped flow spectrophotometer, UV- visible spectrophotometer, photochemical reaction assembly, high temperature furnaces, pelletizer, four probe conductivity setup, BAS 100A electrochemical analyser (USA), HP4284A Precision LCR meter.

TOTAL					9

SCHOOL OF PHYSICAL SCIENCES

The School of Physical Sciences comprises of the Centre of Advance study in Crystallography and Biophysics, the Department of Nuclear Physics, the Department of Theoretical Physics and the Central Instrumentation and Service Laboratory.

CAS in Crystallography and Biophysics

The Department of Crystallography and Biophysics was founded in 1952 with Prof. G.N Ramachandran, F.R.S., as the Head. His genius guided the Department in its early years and lead to several pioneering discoveries. The Department is the home of the Triple Helical Structure of Collagen and the famous Ramachandran plot for the protein structure. In keeping with this great tradition, significant contributions to contemporary research topics continue to be made by the present faculty. The research theme of the faculty continues to be Structural Biology -Viz, (i) to elucidate the structure - function relationship of biological systems with special emphasis on biopolymers; and (ii) the development of methodologies for structural characterization of biomolecules. Faculty members are involved in research on structure and function of biological molecules including proteins, peptides, nucleic acids, drug molecules etc. Methods used include theoretical and computational studies, computer modeling, X-ray crystallography, NMR spectroscopy and other biophysical techniques. Research is also carried out on the development of crystallographic structure solution methods. Since its inception the department has published 1335 research papers and 22 books and volumes. The Department has hosted about 12 International conferences and about 45 at the National Level. A large number of distinguished scientists from India and abroad including more than 30 Nobel Laureates have visited the Department. Right from the beginning the University Grants Commission has been supporting the research activities of the Department generously through grants under CAS, SAP and COSIST programmes. The Department of Science and Technology has recognized this Department for assistance under FIST Programme (Level II). The Department has recently been upgraded to the status of 'Centre of Advanced Study' from April 2007.

The Department conducts a two year M. Sc. (Biophysics) course besides the Ph.D. programme. The sophisticated equipment of the department include single crystal X-ray Diffractometer, IR and UV visible spectrophotometers, ultracentrifuge, HPLC, several SGI workstations and a large number of PCs. A modern biochemical laboratory with state-of-the art equipment is also available. With DBT's massive support of `2.53 Crores, a modern x'ray data collection facility for macromolecules is also available.

Department of Nuclear Physics

The Department of Nuclear Physics was founded in the year 1969. The Department received UGC funding for teaching and research activities under COSIST (ten years), UGC-SAP (fifteen years) and recently under the FIST programme of DST(five years).

The Department of Nuclear Physics offers independent M.Sc.Physics (since1977), M.Phil. Physics and Ph.D.Programmes. The research activities of the department concentrate broadly on Condensed Matter Physics involving Accelerator-based material modification Crystal Structure analysis, Computational electromagnetism, Materials for magnetic, optical, semiconducting, dielectric, photocatalytic, energy and environmental applications. Expertise is available in Nanomaterial Synthesis, Mössbauer Spectroscopy, Positron Annihilation Spectroscopy, X-Ray Diffraction, Electrodeposition, High-Pressure Synthesis, Laser surface modification, Electron Momentum Distribution, Thermal Analysis and Ion-Implantation. The department has a separate Library and a Computer Laboratory for students and scholars with Comsol Multiphysics modules. Material preparation and characterization facilities like Microwave and Silicon carbide furnaces, Positron Angular Correlation Setup, Four-Probe Resistivity Setup, Impedance Analyser,

Metallurgical Optical Microscope with Vicker's Indenter, Moessbauer Spectrometer, Thermal Analysis Facility, Vibrating Sample Magnetometer, Thermoelectric power station and X-ray Powder Diffractometer are available. The department also has a Workshop with Lathe, Drilling, Milling and Grinding facilities. The PG curriculum is framed to cover the NET/SLET syllabus in Physics and to give an exposure to the students in Advanced Experimental Techniques related to state-of-the-art research areas. The research output of the department has led to more than 200 publications in International Journals, in the last five years.

Department of Theoretical Physics

The Department of Theoretical Physics was founded in the year 1964. The Department of Theoretical Physics and the Department of Nuclear Physics had jointly received UGC funding for their teaching and research activities under COSIST programmes for ten years. From the academic year 2011-12, the department has been offering M.Sc. Physics course independently. The number of students admitted for the M.Sc. Course is 20. The department also offers M.Phil in Theoretical Physics and Ph.D. Programmes. The department has a High Performance Computing Centre with numerous computational codes. The avenues of physics in which research programmes are pursued includes, 1) Ab initio studies in a) Transition metal doped semiconductors, b) Binary and Pseudo Binary Intermetallics, c) Shape Memory Alloys, 2) Properties of Layered Structures – Graphene, 3) High T_c Superconductors, 4) Quaternary Semiconductors, 5) Quantum confinements in nano semiconductors, 6) Quantum Optics, 7) DFT calculations on DSSC along with experimental work to develop a suitable material to meet the growing energy demand and 8) Constrained systems (Field Theory). The department has a well equipped library with over thousand books including rare collections in Theoretical Physics along with the latest advances in Physics. The department has Net worked computation facility, independent Wi-Fi connection and e-resources.

Central Instrumentation and Service Laboratory

The University Grants Commission has established centres for providing instrumentation and engineering service facilities to scientific research as well as for promoting R& D in Instrumentation Technology in several Universities in the country since 1976. One such centre was established in 1976 in Madras University as the Central Instrumentation and Service Laboratory (CISL) and later upgraded as the University Science Instrumentation Centre (USIC) in 1980. This Centre maintains sophisticated scientific instruments and has been involved in conducting training programs to the faculty as well as the technical staff as per UGC guidelines in addition to the regular R & D work. To develop research aptitude in Instrumentation, an M.Phil Course on Scientific Instrumentation is being conducted since 1984 and also Ph.D programmes are offered since 1977 in various aspects of Instrumentation. Several University Departments as well as Colleges have made use of this Centre for their research work. The M.Sc., Electronics Science course is conducted jointly by this department and the Departments of Nuclear Physics & Theoretical Physics.

The Centre has an Electronic testing wing for the testing and servicing of all Electronic/Scientific Instruments and has facility and expertise for the development of advanced circuit designs for various instrumentation applications. In addition to this, a well-equipped Instrument fabrication workshop is available. Liquid Nitrogen Plant is available in this Centre, which has been supplying liquid nitrogen for conducting the low temperature studies and specimen preservation.

The Department has carried out research, in collaboration with several agencies such as the C.L.R.I., C.S.I.O., C.S.E.R.I., and local hospitals, in several areas of Instrumentation including Scientific Instrumentation, Instrumentation for Tannery Effluent treatment and medical diagnostics. As evidence of research contribution, several research papers as well as technical articles have been published in refereed journals on various aspects of instrumentation.

Faculty

Dr. D. Nedumaran, Ph.D Chairperson

CAS in Crystallography and Biophysics

Dr. P. Karthe, Ph.D	Professor & Head

SCHOOL OF LIFE SCIENCES

The Centre for Advanced Studies in Botany, and the Departments of Zoology, Biochemistry, Bio Informatics and Biotechnology and **Centres** for Ocean & Coastal Studies and Herbal Sciences together constitute the School of Life Sciences. **The School of Life Sciences has been recognized as “Centre with Potential for Excellence in Particular Area: CPEPA” by UGC** and sanctioned a research programme on ‘Biomolecules against human, animal and plant viruses’. In addition, **this school has also been receiving financial support by Department of Biotechnology, Ministry of Science and Technology, Government of India under *BUILDER (Boost to University of Madras Interdisciplinary Life Science Programme for Advance Education and Research)*** for strengthening all our post graduate programmes in the school to a tune of 5.24 Crores (2014-2019).

The first Science department of the University of Madras viz., the Department of Zoology was started in 1927 with Sir. K. Ramunni Menon as the honorary director. The department teaches and researches in the fields of Cryopreservation of gametes and embryos of penaid prawns, Eye stalk neuropeptides and control of reproduction in the decapod crustaceans, Molecular aspects of reproduction in the decapod crustaceans, Biofouling, Environmental impact assessment, Water quality, Aquaculture of live food organisms, Mass culture of fairy shrimps and brine shrimps, Adaptations of cryptobiotic cysts of fairy shrimps and rotifers, Immunobiology of cultivable aquatic invertebrates, Physiology of respiratory pigments, Cell surface glycoproteins, Cancer and free radical biology, Economic Entomology, Biomolecules with Biomedical potentials etc., Facilities are available to do research on the biological and biochemical aspects of animals. Sophisticated instruments available in the department are: AAS, RT-PCR, Spectrofluorimeter, Planer Biomed Kryo 10, Standard Liquid Chromatography system, UV-Visible Spectrophotometers, Electrophoresis Systems, Gas Liquid Chromatography, Phase Contrast and Fluorescence Microscope, Lyophilizer, Ultracentrifuge, HPLC & GC systems, ELISA Reader, Osmometer etc., The consultancy potentials of the department lies in the areas of environmental impact assessment, water quality, cryopreservation in crustacean embryos, live feed for aquaculture, health care of marine organism, immunology of marine organism, biochemistry of cancer and insect pest management. The department offers Masters (M.Sc. & M.Phil.) and Ph.D. programmes. The department has been identified by UGC and has been receiving funds for the last 25 years for research in a thrust area under UGC - DRS and DSA programme. Our department is also been recognized by Ministry of Environment and Forests with a centre called ENVIS since 2002 as a database centre for ‘Microorganisms and Environment Management’. In addition, the department has been conducting post graduate diploma courses viz., P.G. Diploma in Immunotechnology, Stem Cell Biology & Tissue Engineering and Clinical Embryology. The department is also added with a post graduate teaching cum laboratory in the insectarium building with new instrumentation facility supported by DBT-BUILDER.

The Department of Botany was started in 1929 for generating specialization in the field of Algology. In 1944 the emphasis shifted to Plant Pathology. In 1963 it was chosen for elevation as a Centre for Advanced Studies by the University Grants Commission. Algology, Algal Biotechnology, Mycology, Fungal Biotechnology, Molecular Plant Pathology, Environmental Microbiology, Plant Biotechnology and Genetic Engineering are the areas in which teaching and research are carried out by the Centre. The Centre is well equipped with modern sophisticated instruments. The Centre maintains one of the largest culture collections in South Asia and about 800 algal, 500 fungal and a few bacterial strains are maintained. The Centre has an excellent field laboratory, situated at Maduravoyal, 10 kilometers away from Madras with all facilities to conduct field trials. The centre

has sophisticated equipments like Atomic Absorption Spectrophotometer, Contamination Monitor, Electroporator, Bio- SEM, ELISA reader, Environmental Shakers, Fermentors, French Press, Gas Liquid Chromatography, Gel Eluter and Progenitor, High Performance Liquid Scintillation Counter, Luminometers, PCR (Polymerase Chain Reaction) Units, Photomicroscope, Scanning densitometer, Spectrofluorimeter, Spectrophotometers, Transilluminator, Ultracentrifuges, Ultramicrotome, Ultrasonicators and Vacuum freezer. The Centre offers consultancy on high technology for organic cultivation of cereals and vegetable crops, bio-fertilizers, bio-pesticides and biotechnological agents. Mushroom production and mushroom compost, Bio-remediation and Biotransformation of heavy metal pollution, Tannery effluent, dye factory effluent, Xenobiotics, radioactivity pollution and oil-pollution, Bio-remediation of polluted soils are some areas in which frequent consultancy takes place. The department offers Masters and Ph.D. programmes.

The department of Biochemistry was started in 1933 under the headship of Dr. M. Damodaran, to study Chemistry and Metabolism of proteins and enzymes. Since 1945, the department offers Masters, M.Phil and Ph.D. programmes. The department teaches and researches in the areas of Clinical Biochemistry, Cancer Biology, Standardization of Pharmaceuticals, Nutritional Biochemistry, De-addiction, Biochemical and Environmental Toxicology and Microbial Pathogenesis. The sophisticated equipments in the department are: Spectrophotometer, Liquid Scintillation Counter, Refrigerated High speed Centrifuges and other instruments essential for biochemical investigations. The Department offers consultancy for Evaluation of drug efficacy and safety, Biochemical investigations for diagnosis, Anticancer studies, Narcotic addicts– Biochemical studies, Cardiotoxic drugs, Respiratory and Gastro-intestinal infections, Hepatoprotective activity studies and Efficacy of Ayurvedic drugs. The department was renamed as the Department of Biochemistry and Molecular Biology in 1998 and offers Masters programme in Molecular Biology.

The department of Biotechnology was started in 1997. The department offers Masters and Ph.D. Programmes

Faculty

Dr. S. Janarthanan, Ph.D	Chairperson
--------------------------	-------------

Department of Zoology

Dr. S. Janarthanan, Ph.D	Professor
Dr. C. Arulvasu, Ph.D	Professor & Head
Dr. R. Manikandan, Ph.D	Assistant Professor
Dr. M. Jayakumar, Ph.D	Assistant Professor
Dr. R. Shanthi, Ph.D	Assistant Professor.
Dr. S. Milton Prabhu, Ph.D (Re- Deployed)	Associate Professor
Dr. K. Pugazhendy, Ph.D (Re- Deployed)	Associate Professor

Centre for Advanced Studies in Botany

Dr. P. Palani, Ph.D	Professor & Head
Dr. N. Radhakrishnan, Ph.D	Assistant Professor
Dr. S. Nagaraj, Ph.D	Assistant Professor
Dr. K. Malarvizhi, Ph.D	Assistant Professor
Dr. K.R. Jayappriyan, Ph.D	Assistant Professor

Department of Biochemistry

Dr. Elangovan Vellaichamy, Ph.D	Professor (COE i/c)
Dr. A. J. Vanisree, Ph.D	Professor & Head
Dr. G. Sudhandiran, Ph.D	Professor
Dr. M. Ravi, Ph.D	Assistant Professor

Department of Biotechnology

Dr. S. Elumalai, Ph.D	Professor (Registrar)
Dr. K. Kathiravan, Ph.D	Professor & Head
Dr. K. Uma Maheswari, Ph.D	Associate Professor
Dr. G. Vijayan Siva, Ph.D	Associate Professor
Dr. E. Sumathi, Ph.D	Assistant Professor

Department of Bio Informatics

Dr. P. Karthe, Ph.D	Professor and Head i/c

SCHOOL OF BASIC MEDICAL SCIENCES

The School of Basic Medical Sciences consists of the Departments of Anatomy, Endocrinology, Genetics, Medical Biochemistry, Microbiology, Pathology, Pharmacology and Environmental Toxicology and Physiology.

Along with establishment of Post Graduate Institute of Basic Medical Sciences (PGIBMS), the division of Medical Biochemistry was first established in March 1968. In January 1969, Endocrinology and Genetics came into being. Subsequently, all these divisions became independent departments. Later, the PGIBMS was expanded in 1976 when the Taramani campus started functioning, with the addition of the departments Microbiology, Pharmacology and Environmental Toxicology and Physiology. The third phase of expansion of PGIBMS was in 1977, when the departments of Anatomy and Pathology were added. All departments are involved in active research, training Ph.D. students and offering postgraduate degree programmes.

The department of Anatomy offers M.Sc. Anatomy and M.S. Neuroscience programmes. It is a DST –FIST supported department carrying out research in neural transplantation, cortical localization, and Neuro-electrophysiology in primates and comparative neuroanatomy of primates including man. The department has a well-equipped aseptic operation theatre, tissue processing laboratory, neuroimmunology laboratory, rare collections of histological slides, audio-visual teaching

aids and video and audio cassette library. It has several sophisticated equipments like cryostat, vibrotome, microscope, fluorescent microscope, stereo zoom microscope, neonatal incubator, surgical diathermy, bio-monitor, X-ray machine, electro- physiological unipolar cortical stimulator etc.

The department of Endocrinology is a research department recognized by UGC for Department Research Support under UGC Special Assistance Programme (UGC-SAP-DRS-I) to facilitate research in the following thrust areas since 1999. (1) Reproductive and Molecular Endocrinology and (2) Environmental Endocrinology. The UGC-SAP-DRS-II programme is in operation since 2004. UGC has also selected this department for its Assistance for Infrastructural development in Science and Technology (ASIST) since April 2006 to create infrastructure for offering the new M.Sc. Biomedical Science programme and for research in Environmental Endocrinology. The department of Science and Technology, Govt. of India has selected the department for upgrading infrastructural and equipment facilities for Research under its FIST programme from 2000 onwards. In addition to this, the department is funded by various National Agencies such as DBT, CSIR, DST, ICMR and UGC. The department undertakes research works involving evaluation of hormones, receptors and signalling at the level of genes, in endocrines, reproductive, bone and metabolic disorders and cancer. The department has sophisticated equipment like electroporator, PCR machine, Real time PCR, ELISA reader, CO₂ incubators, speed vacuum concentrator, ion-exchange chromatography, double beam spectrophotometer, research microscope with fluorescence, phase contrast and photography, electrophoretic and blotting system, Gel doc and Chemidoc systems, inverted microscope, stereo zoom microscope, ultra deep freezers, cell culture facility and temperature and light controlled animal room facility. The department has BRIT recognized radioisotope laboratory. The department also offers M.Sc. Biomedical Sciences, M.Phil. and Ph.D. programmes in Endocrinology and two elective papers for M.Sc. CBCS students. The department scored 97% score in the IQAC rating and stands second among 67 departments of the University. The department has two endowments one in the name of Prof. P. Govindarajulu and Ms. Saraswathiammal memorial Endowment lectures and scholarship for the best outgoing students.

The department of Genetics is supported under DST-FIST and UGC- SAP – DRS I Programmes. The faculty members pursue basic and applied research in frontier areas of Genetics that has direct/indirect bearing on health care. The areas of interest include clinical cytogenetics (mental retardation, infertility and birth defects), genetics of hearing, visual and speech disorders, molecular genetics of cancer, cardiovascular disease and Neuro-developmental disorders, pharmacogenomics and personalized medicine, functional genomics, sports genetics, genetics of chronic inflammation in diabetes and cardiovascular diseases, microbial and molecular genetics of *Mycobacterium tuberculosis* and *Pseudomonas fluorescens*. The department offers postgraduate programmes leading to M.Sc. (Biomedical Genetics and Molecular Biology), and Ph.D. degrees. The department has departmental library and a centralized instrumentation facility, which includes Bioanalyzer 2000, Chemidoc system, Nanodrop, Thermo cyclers, Gel documentation system, Spectrophotometers, Refrigerated high speed centrifuges, Refrigerated table top centrifuge, Real-time PCR, MilliQ water purification system, Ice-flaker, Deep freezers, Fluorescence microscope with cytogenetics work station etc. The department also offers consultancy service on genetic counseling, clinical cytogenetics.

The department of Medical Biochemistry offers M.Sc. Medical Biochemistry. It is a UGC-SAP-DRS I and DST-FIST supported department specializing in metabolic free radical mediated diseases including Diabetes mellitus, arteriosclerosis, alcoholism, kidney stone disease, cancer, ageing and biochemical toxicology. The facilities of the department include various sophisticated instruments including Scintillation counter, Double beam UV spectrophotometers, spectrofluorimeter, epifluorescence microscope, ultracentrifuge, super speed refrigerated centrifuges, ELISA readers, deep freezers, equilibrium dialyzers, electrophoresis units, thin layer and column chromatographic systems. The department offers expert consultancy in clinical biochemistry in select areas of metabolic disorders and kidney stone disease.

The department of Microbiology offers M.Sc. Medical Microbiology and M.D. Microbiology and is a UGC-SAP-DRS-I and DST-FIST department. The faculty members do research in medical microbiology (diarrhoeal diseases, new diarrhoea pathogens, respiratory pathogens, hospital acquired bacterial, fungal and viral infections; sequelae; Herpes keratitis; AIDS), Immunology (development of diagnostic kits for microbial characterization of bacterial, fungal and viral pathogens by RFLP, cloning and sequencing) and development of antibacterial, antifungal and antiviral agents from medicinal plants and marine organisms; Indigenous development of vaccines; evaluation of industrial products like vaccines, drugs, devices, kits, disinfectants etc. The facilities of the department include tissue culture systems, antigen & antibody purification and characterization, preservation of microbial culture. In vitro and in vivo laboratory models for drug and vaccine development, design and conduction of clinical trials, evaluation etc. The sophisticated equipments of the department are : ELISA systems, HPLC, UV- vis spectrophotometer, UV- Transilluminator with photography, PCR - Systems, Ultracentrifuge and refrigerated centrifuge, lyophiliser, luminometer, tissue culture laminar flow systems, environmental temperature controlled shakers, ice flaker, deep freezers, liquid nitrogen cylinders, different electrophoresis systems including blotting systems and chromatographic systems, CO₂ Incubator and water purification systems.

The department of Pathology offers M.D.Pathology, Diploma in Clinical Pathology and M.Sc. Laboratory Technology programmes. The faculty carry out research in histopathology, immunology, haematology, haematopathology, immuno-histochemistry and in situ hybridisation. The facilities of the department are histopathology with frozen section facilities, histochemistry, cytochemistry, immunohistochemistry in situ hybridization for viral DNA and RNA. The department is a referral centre for immunohistochemistry and immunocytochemistry. The department is also a WHO training centre for immunohistochemistry and cytochemistry.

The Department of Pharmacology & Environmental Toxicology offers M.Sc. Toxicology. As a research Department it has been recognized by UGC as a UGC- SAP- DRS-phase II with the thrust areas 1 & 2 as follows: Pharmacology of Indian medicinal plants and traditional medicinal preparations and Toxicology of Environmental pollutants. The department is also being funded under DST-FIST programme. The projects of the Department include funding by DBT, UGC and DST. The faculty member's carryout intensive research in: Experimental pharmacology, Phytopharmacology, Traditional medicine formulations, Immuno-pharmacology and toxicology, Neuropharmacology and toxicology, Cardiovascular pharmacology, Aquatic toxicology, Food toxicology, Environmental toxicology and Pesticide toxicology. The expertise and facilities can be used for screening of pharmacological as well as toxicological profile of drugs and medicinal plants as well as toxicological evaluation of specific environmental pollutants. The department has the sophisticated analytical equipments such as Florescence spectrophotometer, GC-MS, high pressure liquid chromatography, UV visible spectrophotometer, electrophoresis unit, soft laser screening densitometer, refrigerated centrifuge, thin layer chromatography system and tissue culture facility. In vitro and in vivo pharmacological/toxicological screening equipments include Polygraph, tissue bath set-up, physiograph and electro cardio graph. Rota-rod, actophotometer, analgesio meter, Heb's William maze are available for behavioural screening. Thermo cyclers, Co₂ incubator for Tissue culture facility, Millicell, as well as Basic equipments such as pH meter, electronic balances, Microscopes, Liquid nitrogen cylinder etc are available.

The department of Physiology offers M.Sc. Physiology programme. The faculty members carry out research in the areas of neuroimmunomodulation, stress physiology, liver regeneration, cassava studies and medical/laboratory instrumentation. The facilities of the department include recording of basic physiological data, behavioral studies in small animals, all common biochemical investigations, all haematological investigations, computer facility for physiological data acquisition etc. The sophisticated instruments of the department are HPLC (Waters) with ECD detector, spectrofluorometer, UV- visible spectrophotometer, flame photometer, single channel strip chart recorder (physiograph), 8-Channel physiological data recorder (Polyrite), Single Channel ECG recorder, deep freezers; laminar flow hood, ultrasonic disintegrator, etc.

Faculty

	Elective 7 – Offered by other department(s)	E	3
	Elective 8 – Offered by other department(s)	E	3
	Soft Skill	S	2
Semester V			
BMS C756	Human Cadavar Dissection – I	C	5
BMS C757	Surface anatomy and Medical Imaging	C	4
BMS C758	Research Project – Phase III	C	4
	Elective 9 – Offered by other department(s)	E	3
	Elective 10 – Offered by other department(s)	E	3
	Soft Skill	S	2
UOM 1002	Internship	I	3
Semester VI			
BMS C760	Human Cadavar Dissection – II	C	5
BMS C764	Systemic Embryology	C	4
BMS C762	Research Project–Phase IV	C	4
	Soft Skill	S	2

Elective Courses Offered by the Department

1. BMS E742: Basics of Human Anatomy – I – 3 credits – Theory (On all odd semesters)
2. BMS E746: Basics of Human Anatomy – II – 3 credits – Theory (On all even semesters)

Students from other departments are eligible to take only these two elective courses offered by the department. Pre-requisite to these courses are postgraduate students belonging to bio-medical subjects of University of Madras departments.

M.Sc. NEUROSCIENCE (Faculty of Medicine) under Self-Supportive mode

Course Code	Course Name	C/E	Credits
Semester I			
BMS C740	Cell and Molecular Biology	C	4
BMS C761	Systemic Human Anatomy – I	C	4
BMS C744	Research Methods in Anatomy and Neuroscience	C	4
BMS C749	Neuroanatomy – I	C	4
	Elective 1 – Offered by other department(s)	E	3
	Elective 2 – Offered by other department(s)	E	3

BMS E101	Principles of Genetics - I	E	3
	Soft Skill	S	2
V SEMESTER			
BMS C320	Systematic Bacteriology	C	4
BMS C321	Practical - XI - Systematic Bacteriology	C	4
BMS C328	Clinical Bacteriology	C	4
BMS C322	Practical - XII - Clinical Bacteriology	C	4
MSI E130	Bio-Statistics	E	3
	Soft Skill	S	2
VI SEMESTER			
BMS C323	Virology - I	C	4
BMS C324	Virology - II	C	4
BMS C325	Practical - XIII - Virology	C	3
BMS C326	Practical - XIV - Applied Immunology	C	3
BMS C327	Project with dissertation	C	6
BMS E304	Applied Immunology	E	3
BMS E305	Molecular Diagnostic Methods	E	3
BMS C327	Project with dissertation	C	6

UOM S006	Soft Skill	S	2
UOM I002	Internship	I	3

Note - Number of Minimum Credits required for Elective Courses is 30
Number of Minimum Credits required for Soft Skills Courses is 12 and Internship is 3

DEPARTMENT OF PHYSIOLOGY

M.Sc. PHYSIOLOGY (Faculty of Medicine)

Course Code	Title of the Course	C/E	Credit
I SEMESTER			
BMS C310	General Microbiology	C	3
BMS C821	Experimental Physiology	C	3
BMS C801	Human Physiology - I	C	4
BMS C802	Physiology practical-I	C	3
II SEMESTER			
BMS C822	Developmental Neurology	C	3
BMS C803	Human Physiology - II	C	4
BMS C804	Human Physiology - III	C	4
BMS C805	Physiology practical II	C	3
III SEMESTER			
	Project work assigned	C	-
BMS C425	Endocrine Pathology	C	4
BMS C806	Human Physiology IV	C	4
BMS C807	Human Physiology- V	C	4
BMS C808	Physiology Practical III (Muscle)	C	3
IV SEMESTER			
BMS C809	Human Physiology VI	C	4
BMS C810	Human Physiology VII	C	4
BMS C811	Regulations in Physiology -Paper VIII	C	4
BMS C812	Physiology Practical IV (Heart, Intestine)	C	3
V SEMESTER			
BMSC813	Dissertation	C	6
BMS C814	Applied Physiology -Paper IX	C	4
BMS C815	Physiology Practical-V (Clinical Examination BP, ECG)	C	3
VI SEMESTER			
BMS C816	Human physiology X	C	4
BMS C817	Human physiology XI	C	4
BMS C818	Human physiology XII	C	4
BMS C819	Physiology Practical VI	C	4
BMS C820	Physiology Practical VII	C	4

Note - Number of Minimum Credits required for Core Courses is 90

ELECTIVE & SOFT SKILL COURSES OFFERED FOR THE DEPARTMENT / SCHOOL				
Course Code	Title of the Course	Semester	C/E /S	Credit
BMS E001	Principles of Biochemistry I	I	E	3
BMS E104	Population genetics	I	E	3
	Soft skill	I	S	2

BMS E002	Principles of Biochemistry II	II	E	3
BMS E404	Reproductive physiology & Endocrinology	II	E	3
	Soft skill	II	S	2
BMS E101	Principles of genetics - I	III	E	3
BMS E401	Molecular and Cellular Endocrinology	III	E	3

	Soft skill	III	S	2

MSI E130	Bio Statistics	IV	E	3
	Soft skill	IV	S	2
BMS E905	Reproductive Endocrine Toxicology	V	E	3
BMS E302	Basic Immunology	V	E	3
UOM I002	Internship	V	I	3
	Soft skill	V	S	2
	Soft skill	VI	S	2
BMSE801	Basics of human Physiology (Odd Semester)		E	3
BMSE802	Pathophysiology (Even Semester)		E	3

Note - Number of Minimum Credits required for Elective Courses is 30
Number of Minimum Credits required for Soft Skills Courses is 12
Number of Minimum Credits required for Internship Courses is 3

We will be advising the students to take new soft skills from the online sources like "Swayam, NPTELs" at the beginning of every semester.

DEPARTMENT OF GENETICS

M.Sc. BIOMEDICAL GENETICS

Course Code	Title of the Course	C/E/S/I	Cr.
SEMESTER-I			
BMS C 101	Cellular organization and Biomacromolecules	C	4
BMS C 102	Microbial Genetics	C	4
BMS C 103	Eukaryotic Genetics	C	4
BMS C 104	Practical - I	C	4
BMS E 001	Principles of Biochemistry-I	E	3
BMS E 742	Basics of Human Anatomy-I	E	3
	Soft Skill	S	2
SEMESTER-II			
BMS C 105	Molecular Genetics	C	4
BMS C 106	Human Cytogenetics	C	4
BMS C 107	Molecular basis of genetic disorders	C	4
BMS C 108	Practical - II	C	4
BMS E 101	Principles of Genetics-I	E	3
BMS E 002	Principles of Biochemistry-II	E	3
BMS E 746	Basics of Human Anatomy-II	E	3
	Soft Skill	S	2
UOM I 001	Internship	I	2

SEMESTER-III			
BMS C 109	Developmental Genetics	C	4
BMS C 110	Bioinformatics and Proteomics	C	3
BMS C 111	Gene Therapy	C	3
BMS C 112	Practical - III	C	4
BMS E 102	Principles of Genetics-II	E	3
BMS E 302	Basic Immunology	E	3
BMS E 403	Principles of Endocrinology	E	3
	Soft Skill	S	2
SEMESTER-IV			
BMS C 113	Principles of Gene Manipulation and Genomics	C	4
BMS C 114	Cancer Genetics	C	4
BMS C 115	Project	C	6
BMS E 304	Applied Immunology	E	3
BMS E 403	Molecular and Cellular Endocrinology	E	3
	Soft Skill	S	2

Soft-Skill: Students of the Department will be advised to take the soft skill courses from SWAYAM/MOOC web portal before the commencement of every semester.

JOB ORIENTED COURSE: (NOT MANDATORY FOR CLASSIFICATION)

BMS S101: Molecular Diagnostics Techniques - 2 Credits

VALUE ADDED COURSE: (NOT MANDATORY FOR CLASSIFICATION)

BMS S102: Zebrafish Husbandry and Basic Techniques in Biomedical Research - 2 Credits

DEPARTMENT OF PATHOLOGY

ADVANCED DIPLOMA IN CELLULAR AND MOLECULAR PATHOLOGY TECHNIQUES (SELF-SUPPORTIVE)

Course Code	Title of the Course	C/E	Credit
I SEMESTER			
BMS C601	Molecular Pathology and Cytogenetics	C	3
BMS C602	Histochemistry and Immunohistochemistry	C	3
BMS C603	Molecular Pathology and Cytogenetics (Practicals)	C	3
II SEMESTER			
BMS C604	Special Techniques in Haematology	C	3
BMS C605	Histochemistry and Immunohistochemistry (Practicals)	C	3
BMS C606	Special Techniques in Haematology (Practicals)	C	3

SCHOOL OF NANOSCIENCE AND PHOTONICS

The school consists of National Centre for Ultrafast Process (NCUFP) and National Centre for Nanoscience and Nanotechnology.

National Centre for Ultrafast Process was established in 1997 initially as a DST-IRHPA-National facility-the first of its kinds for the use of researchers in academic institutions for time resolved emission and absorption studies in the pico and femto-second time scale. With the input of funds for separate building from the Tamil Nadu Government, the centre emerged as an advanced

centre for research and the Senate of University of Madras approved the centre as a part of University of Madras and made it as an Advanced Centre for Research in November - 2000. The centre has now emerged as a premier centre for photonics and ultrafast spectroscopy. The centre has mobilized research grants to the tune Rs.700 lakhs through several funded projects including the DST-IRPHA 1st Phase, 2nd Phase, UGC Innovative Programme and research projects from other funding agencies like DST-SERC, DRDO, CSIR.

NCUFP houses hi-tech laser facilities in the time resolution of nanosecond, picosecond and femto second to cater to the needs of Chemists, Physicists and Biologists. The research activities of the centre include electron transfer, proton transfer, solvation dynamics, nanomaterials, Supramolecular inorganic and polymeric systems, liquid crystals. The centre has a collaborative DRDO research project with Regional Research Laboratory, Trivandrum. The Centre has more than 150 users from different parts of the country. The in-house scientists and the users of the centre have produced more than 150 publications in the high impact factor journals like, J.Am. Chem. Soc, J,Phys. Chem, Org. Lett, J.Org. Chem,-Chem. Phys. Chem, Chem. Phys. Letts, etc. during the last decade. In-house scientists are the recipients of Bhatnagar Award, Fellow of Indian Academy and National Academy, UGC career Award, TANSA award and CRSI Silver and Bronze medals.

The Centre conducts interdisciplinary M.Sc programme on “Photonics & Biophotonics” under Choice Based Credit System initiated by UGC under the Innovative programme. Photonics is a multi-disciplinary subject that combines advanced electronics and Optical technologies. Photonic technology, forms basis for the development of future technologies in telecommunications, health care, aerospace etc. Bio-photonics is the interface of photonics and biological sciences, offering tremendous prospects for optical diagnostics, light activated therapy, surgery, biosensing and restoration of biological functions. The course duration is two years (Four Semester) with a project in the final semester.

National Centre for Nanoscience and Nanotechnology

The National Centre for Nanoscience and Nanotechnology in the University of Madras was started in May 2006 with a seed grant of Rs.5 crore from the Government of Tamil Nadu. It is a totally interdisciplinary course involving physicists, chemists, biologists and medical scientists. It had a core committee consisting of members from all these disciplines to advise the University the course of research as well as the course of teaching activity. In August 2006 the centre introduced M.Sc./M.Tech. dual degree programme. From 2010, the Centre has introduced two years M.Sc. programme in Nanoscience and Nanotechnology.

In 2007, the Ministry of Human Resource Development of India has given a grant of Rs.100 crore for the development of this Centre with a thrust to Biomedical Nanotechnology. This grant includes appointment of a new faculty in the cadre of Professors, Readers, and Lecturers. The total approved faculty strength with the grants from MHRD and Tamilnadu Government is 24. The Centre for Nanoscience and Nanotechnology has its own Governing Council and Research Advisory Council for which the Vice-chancellor of the University will be the President and the Director of the Centre will be the Member Secretary to look after the day to day activity of the centre. This will be a nodal point for a collaborative research and teaching with all the four science schools of the University namely, School of Physical Sciences, School of Chemical Sciences, School of Life Sciences and School of Basics Medical Sciences. The centre has high end instrumentation facility and the flowing equipments have been installed and are working in good condition.

The instruments are, Scanning Electron Microscope, Transmission Electron Microscope, Field Emission Scanning Electron Microscope. High Resolution Transmission Electron Microscope, X-ray photoelectron spectrometer, Confocal Raman microscope and DRS-UV visible spectrophotometer. The facilities available at the centre have been extended to all the students of the Departments of University of Madras. In addition, the centre has provided financial assistance in the form of projects to the Science Faculty members of the University of Madras.

MOOCs (Massive Open Online Courses)

* Students in Consultation with the Faculty Members May Choose A MOOC Course for Each Semester

DEPARTMENT OF PHYSICAL EDUCATION AND SPORTS

Growth of Madras University Union

During the year 1932, the Syndicate of the Madras University resolved to start the Madras University Union at the House then known as ‘Rutland House’ in the Spur Tank Road, Chetpet, with provision for playing Tennis and Ball Badminton only. At present, The Madras University Sports Union is one of the best sports centres in Chennai, providing training facility not only to the Madras University Students, but to a larger section of public and private sectors and sports Associations for their sports programmes

Aims and Objectives

The aim of Madras University Union is to promote activities in the field of Sports and Games with excellent infrastructure facilities and also to provide a systematic and scientific training for the students of affiliated colleges. More than 17,000 (Seventeen Thousands) students get competitive experience from the zonal and Inter-zonal competition organized by the Madras University every year.

Nature of Programme

- Madras University affiliated colleges divided into two Zones. (Both Men & Women).
- Total number of Games and Sports 36.
- Nearly 17,000 students get competitive experience every year.
- Conduct of Summer Residential Coaching Camp and Award Function every year during the month of May and June.
- Coaching for school children, college boys and girls, both Morning and Evening sessions at University Union Ground.
- Conduct All India Inter-University Sports/Games Competitions.
- Conduct Award Function for the Madras University Sports persons, Managers and Coaches who have brought laurels to our University by securing medals during the All India Inter-University Competitions.

Faculty : Dr. V. Mahadevan - Director

Courses Offered

- M.Sc., Yoga (Regular)
- Ph.D. Programme (Full-Time/Part-Time)
- P.G.Diploma in Yogic Education (1 Year Regular) Two shift Program

M.Sc. YOGA
