

## GREEN SKILL DEVELOPMENT PROGRAMME (GSDP) CERTIFICATE COURSE ON WILDLIFE MANAGEMENT USING GEOSPATIAL TECHNIQUES

January 31<sup>st</sup> – March 12<sup>th</sup>, 2022  
(Six weeks) (Tentative)

*Sponsored*

*By*

*Ministry of Environment, Forest and Climate Change,  
Government of India*

*Organised by*

*Department of Geography,  
University of Madras,  
Guindy Campus,  
Chennai-600 025.*

*ENVIS HUB,  
Department of Environment,  
Government of Tamil Nadu,  
Chennai - 600 015.*

### OVERVIEW OF THE GSDP COURSE

- Over the past decades Geospatial technology has grown significantly in planning, managing and decision making with its unique ability for acquisition, integration and analysis of geographically referenced spatial information.
- The major aspect which will be addressed by this programme will be how Geospatial Technology will play a pivotal role in the field of Wildlife Management.
- It will focus in giving insights about what are the techniques and technologies that can be used for effectively implementing Geospatial technology into Wildlife Management.
- A good look into the benefits of using Geospatial technology will also be explained which will give motivation towards applying these technologies in various domains of Wildlife.

### DEPARTMENT OF GEOGRAPHY UNIVERSITY OF MADRAS

The Department of Geography, University of Madras is one of the oldest Departments in this country and has built high traditions of teaching and research in the past 89 years. The Department has been doing research in the field of Geospatial Technology for past 35 years. It currently has academic programmes for M.Sc Applied Geography, M.Tech Geoinformatics, PG Diploma in Geospatial Data Analytics and Ph.D. Degrees.

### WHO CAN APPLY

Eligibility for the programme: Graduate in Science  
Age Limit: 18 – 35 years

Note:

\*The programme is free of cost with boarding, lodging and Certificate from Ministry of Environment, Forest and Climate Change, Government of India shall be awarded.

\*Applicants shall be subjected to scrutiny and the eligible candidates shall be communicated accordingly.

\*Candidates should be in readiness to join the programme during the last week of January, 2022.

### IMPORTANT DATES

- Last Date for Application: *January 24<sup>th</sup>, 2022 (Monday)*
- Examination and Interview: *January 25<sup>th</sup>, 2022 (Tuesday) (Through online mode)*
- Selected Participants will be announced on: *January 27<sup>th</sup>, 2022 (Thursday)*
- Course starts tentatively on: *January 31<sup>st</sup>, 2022*

### HOW TO APPLY

Fill the required details and upload the relevant documents in the given Google forms link:

<https://forms.gle/tcLpqfWU5D5A8bTp8>.

\*Last date to Apply: January 24<sup>th</sup>, 2022 (Monday)
