Ph.D., Regulations (University of Madras)

A candidate whose thesis has been recommended for the award of the degree by the Board of Examiners who valued the thesis shall submit himself/herself to a public viva-voce examination by the supervisor and one external examiner appointed by the Vice Chancellor. The Indian examiner, who valued the thesis, shall as far as possible be appointed as external examiner to conduct the public viva-voce examination for the candidate. Members of the department in the subject concerned where the candidate conducted research and outside specialists, if any, may participate in the public viva-voce examination. The supervisor shall convey to the university the result of the public viva-voce examination duly endorsed by the examiner, together with the list of participants in the examination with their signature, designation and address. A candidate who is also successful in the public viva-voce examination shall be declared to have qualified for the Ph.D., degree by the Syndicate.
