The title page of the thesis, cover, format, etc., should strictly conform to the format of presentation as prescribed and the thesis (all copies) should carry a declaration by the candidate as prescribed and certificate as prescribed duly

signed and issued by the Supervisor. The thesis should NOT be hard bound and it should have a thin and flexible cover.

The Ph.D. Thesis/Synopsis may generally be written in English (for subjects other than languages). However, the thesis may also be written in Tamil and submitted.

- 9.4** The Syndicate shall evolve a mechanism using well developed software and gadgets to detect plagiarism and other forms of academic dishonesty. While submitting for evaluation, the thesis shall have an undertaking from the research scholar and a certificate from the Research Supervisor attesting to the originality of the work, vouching that there is no plagiarism and that the work has not been submitted for the award of any other degree/diploma of the same Institution where the work was carried out, or to any other Institution. The Plagiarism software, its operations and threshold level will be as decided by the Syndicate.

9.5 Panel of Examiners

9.5.1 The Ph.D. thesis submitted by a research scholar shall be evaluated by his/her Research Supervisor and at least two external examiners, who are not in employment of the Institution/Affiliated College, of whom one examiner may be from outside the country. The *viva-voce* examination, based among other things, on the critiques given in the evaluation report, shall be conducted by the Research Supervisor and at least one of the two external examiners or an external examiner appointed by the Vice-Chancellor, and shall be open to be attended by Members of the Research Advisory Committee, all faculty members of the Department, other research scholars and other interested experts/researchers. The Indian and / or the Foreign examiner may participate in the Viva-voce examination through Skype / Video conferencing but not mandatory.

The Supervisor is advised to submit the panel of Examiners in the prescribed format for the candidate in consultation with the other members of the Research Advisory Committee in a sealed cover to the Controller of Examinations in the prescribed format:

- (1) Three Examiners from overseas of non-Indian origin with 10 and more than 10 years of research and teaching experience,
- (2) Three Examiners from North, East, Western parts of India and
- (3) Three Examiners exclusively from Chennai region (for viva-voce purpose) has to be provided by Supervisor. (If the Supervisor furnishes examiners from outside Chennai, he/she has to justify the reasons for suggesting such examiners).

Appointment of overseas examiners need not be insisted for the Indian Languages and other disciplines of Vaishnavism, Saiva Siddhanatha, Jainology.

Panel of experts should be typewritten only, handwritten panel will not be accepted under any circumstances. Along with the names of the examiners

the Panel should mention latest e-mail id, telephone nos. etc. URL of the Institution.

The persons suggested for appointment as examiners should hold Ph.D. Degree with 10 years at the Post-Graduate level with research publications in standard National and International refereed research journals to their credit and also a recognized Ph.D. Supervisor and guided Ph.D. scholars. There should not be repetition of more than 50 per cent names in each of the two categories. Atleast two papers published in the **UGC CARE list / SCOPUS / WoS/ PubMed/SCI** or books (published by National/ Foreign publishers) in the last five years of the proposed foreign examiner, as listed and prescribed in the proforma.

9.5.2 Board of Examiners

The Syndicate may appoint a Board of Examiners for evaluation of the thesis consisting of the Supervisor as Convener and two other External Examiners i.e. one from India and one from outside India (Foreign Examiner) from the panel suggested by the Supervisor.

Provided further that no close or immediate relative of the candidate/Supervisor be appointed to act as an examiner.

Format for submission of Panel of Experts will be decided by the Syndicate from time to time.

9.5.3 Evaluation of the Thesis

The Board of Examiners so appointed shall value the thesis and report on the merit of the thesis for the award of the Ph.D degree. Each examiner is expected to give a detailed report on the thesis apart from a duly filled in proforma for adjudication in the format prescribed by the University.

The Board of Examiners shall report on the merit of the candidate as “Highly commended”, “Commended”, “Not Commended” or “To be Resubmitted”.

The two external examiners shall send the individual reports together with the duly filled in proforma to the Controller of Examinations and the Convener. Together with his/her individual report and the duly filled in proforma the convener will prepare a consolidated report, bringing out the salient points made in individual reports. The consolidated report shall be prepared and submitted by the Supervisor to the Controller of Examinations within a month.

If all the three examiners unanimously recommend the award of the degree, the candidate will be asked to appear for a public Viva-Voce Examination.

If any examiner has in his/her report made some comments and suggested corrections/modifications/alterations and asking the candidate to carry out the same in the thesis, then the candidate will be informed accordingly through the Supervisor. The candidate should carry out the corrections etc., if any, suggested by the examiners, before the public viva-voce examination

after obtaining permission from the Controller of Examinations. The Supervisor shall furnish a certificate to this effect, together with the list of corrections, to the University before the public viva-voce examination.

If one of the external examiners recommends the award of the degree and other does not recommend the award of the degree, the Syndicate may refer the thesis to a fourth examiner so appointed, who shall belong to the same category (i.e., from India or outside India) as the original examiner who valued the thesis and has not recommended.

The fourth examiner will not be provided with the report of the other examiners. If the fourth examiner recommends the award of the degree, the candidate will be asked to appear for a public viva-voce examination prescribed earlier. If the fourth examiner also does not recommend the award of the degree, the degree will not be awarded to the candidate.

Any complaint relating to valuation of the thesis, etc will be referred to a Committee constituted by the Vice-chancellor and based on the report of the committee action will be taken.

9.5.4 Supervisor shall not correspond with the examiners under any circumstances while the thesis is in the evaluation process. Any violation will lead to debarring the faculty member from guiding Ph.D. thesis and face disciplinary action. Similarly, any attempt by the student to contact the examiners will lead to withholding/withdrawal of degree. The examiners will be asked to send both soft and hard copies of the reports directly to the Controller of Examinations and a copy of the report to the Supervisor. After receiving the reports from the two examiners (either email or hard copy), the Supervisor shall consolidate the reports and submit within two weeks.

9.6 Resubmission of the Thesis

A candidate whose thesis has not been commended for the award of the degree may be permitted to resubmit it on a second occasion with a period of one year from the date of declaration of the results with a specific statement from the candidate and the Supervisor about the additional research work conducted and the revision done in the thesis. The resubmitted thesis shall be referred to the same examiner who originally valued the thesis for Re-valuation.

9.7 Viva-voce :

9.7.1 A copy of the thesis of the candidate appearing for the public viva-voce examination shall be deposited in the departmental library for perusal of those interested in the thesis before the conduct of the public viva-voce examination, together with appropriate public notice issued by the Supervisor for the purpose. A format for the Public viva will be prepared and the Public viva needs to be conducted at a central place and the proceedings of the viva need to be sent to the Office of the Controller of Examinations.

Members of the department in the subject concerned where the candidate conducted research and outside specialists, if any, may participate in the

public viva-voce examination. The Supervisor shall convey to the University, the result of such public viva-voce examination duly endorsed by the external examiner, together with a list of participants in the examination with their signature, designation and address. A candidate who is also successful at the public viva-voce examination shall be declared to have qualified for the Ph. D degree by the Syndicate.

9.7.2 If for any reason the Supervisor is unable to conduct the viva-voce examination even one month after the approval of the consolidated report on the Ph.D. thesis by the University and after appointment of the viva-voce examiner, the Vice-chancellor be authorise to appoint a faculty member in the place of the Supervisor to conduct the viva-voce examination in time. A candidate, who is not successful at the public viva voce examination, may be permitted to take the same on a second occasion, after the expiry of THREE months. If he/she is not successful even on the second occasion at the public viva-voce examination, the degree will not be awarded to him/her.

9.7.3 No candidate shall be permitted to submit a thesis or to appear for the public viva-voce examination on more than TWO occasions.

9.8 The Institutions shall develop appropriate methods so as to complete the entire process of evaluation of Ph.D. thesis within a period of six months from the date of submission of the thesis.

9.9 Format of the Degree

The Ph.D degree certificate shall incorporate the title of the thesis along with the name(s) of the faculty/faculties and discipline(s).

In the case of the award of the Ph.D degree for inter-disciplinary research, the degree certificate shall bear both the subjects of the candidate's post-graduate degree and the discipline of the department in which the candidate has conducted his/her Doctoral research mentioning them as "inter-disciplinary".

The broad discipline on which the Ph.D. degree is awarded will be decided by the syndicate. Along with the degree, the University shall issue a provisional certificate certifying to the effect that the degree has been awarded in accordance with the provisions to the regulations of the UGC.
